SAIGON FIGHTING TAKES ITS TOLL—Dead and wounded Vietnamese, victims of fighting between the forces of Premier Ngo Dinh Diem and the private army of Bin Xuyen, lie on stretchers in the Saigon Hospital. Viet Nam's Chief Is Fired; Diem Remains

Saigon, South Viet Nam, April 30 (AP)—An especially summoned provisional assembly fired Bao Dai today as South Viet Nam's chief of state.

The assembly, dubbed "the revolutionary democratic forces of the nation," also ordered Premier Ngo Dinh Diem's cabinet dissolved, but called on him to form a new one.

THE ASSEMBLY, which had cabinet backing, met in Saigon's city hall, tore Bao Dai's photograph from the wall and trampled on it.

This apparently was Diem's answer to the ex-emperor's attempt to overthrow him. Boa Dai, now on the French Riviera, has not been in Viet Nam for a year.

Thursday he summoned Premier Diem to the Riviera for consulations but Diem refused to go. His cabinet felt the trip would mean Diem would be dismissed as premier.

THIS NEW development came as Diem's Nationalist troops claimed a military victory over the rebel Binh Xuyen after two days of bloody civil war in the streets of Saigon and its adjoining suburb, Cho Lon.

Gen. J. Lawton Collins, special representative of President Eisenhower, was on his way back to Viet Nam. The United States has said it still supports the Diem government. France and Britain were reported to have taken the view that Diem should be replaced.

It was not clear what legal authority the assembly had to fire Bao Dai as chief of state.

Bao Dai's authority as chief of state stems from the agreement signed in Paris in 1949 which gave Viet Nam its independence as a state within the French Union.

EIGHTEEN SMALL political parties and groups and persons staged the assembly, which pronounced Bao Dai deposed as of yesterday and the Diem government dissolved the same day.

It entrusted Diem with the formation of a new government with a threefold goal:

"1. Repress the rebels and re-establish order and security.

"2. Recover the total independence of the country and call for the withdrawal of the French Expeditionary Corps from Viet Nam.

"3. Urgently organize an elected National Assembly to turn over power to the people."

Dulles Plans Paris Talks On Indochina

Washington, April 30 (AP)—Secretary of State Dulles is reported planning to meet in Paris with top French leaders next weekend in a personal move to reconcile French-American policies toward revolt-torn South Viet Nam.

Dulles leaves Friday for Paris to attend a western Big Three Foreign Ministers meeting and Atlantic Pact talks. Today he was reported agreeable to separate Indochina discussions while in the French capital.

FRENCH EMBASSY officials reported Foreign Minister Antoine Pinay and probably Premier Edgar Faure were anxious to meet with Dulles on the Indochina outlook to work out a joint plan for restoring orders.

A French-American split was disclosed yesterday when the state department reaffirmed its backing for Viet Nam's Premier Ngo Dinh Diem. A few hours earlier France had pronounced the Indochinese leader no longer equal to the task of governing.

Dulles and top U. S. officials were reported wavering slightly in their support of Diem, but nevertheless unwilling to switch backing to any new candidate on the grounds none has been suggested who would be as acceptable to anti-Communist Indochinese patriots.

IT WAS LEARNED, however, that special Ambassador J. Lawton Collins, who is flying back to his post at Saigon, was instructed to try to convince Diem to broaden his government, if possible, by bringing in rival religious groups.

The role of Viet Nam's absent chief of state ex-Emporer Bao Dai, was assuming increasing importance in the behind-the-scenes jockeying. Bao Dai was reported determined to oust Diem despite an American warning that this might cause U. S. aid to be cut off.

Monticello Hotel Destroyed by Fire

Monticello, April 30 (AP)—Forestburgh Inn, a summer hotel on Route 42, about seven miles west of here, was destroyed by fire of undermined origin Friday.

There were no guests registered at the hotel.

Mrs. Lydia Pick, said she had been working in the front yard and went in to polish the barroom floor when she smelled smoke. She said she couldn't get to the telephone in her living quarters because of the smoke and it was probably 20 minutes before she could reach another telephone to call Monticello firemen.

The fire was believed to have started in the first floor rear.

Mrs. Pick was alone in the 27-room, frame building. Her sister, Marie Soth, who lives with her, was visiting in New York city.

Dust Darkens Western Plains

(By The Associated Press)

More dust clouds darkened the western plains today but some of the dry spots in western Texas and Oklahoma got much-needed rain.

The blowing dust was reported from eastern Colorado and western Kansas northward into western Nebraska and eastern Wyoming. The dust storms struck in eastern Colorado and Wyoming yesterday with gusts up to 68 miles an hour at Lander, Wyo.

THE U. S. WEATHER Bureau at Denver said the dust rose as high as 17,500 feet. Visibility was cut to one-fourth mile at Akron, Colo., and Sidney, Neb., and averaged between two and seven miles in other parts of the storm belt.

Thunderstorms were reported in sections of western Texas and Oklahoma, with nearly one inch of rain at Guymon, Okla., and more than one-half inch at Dalhart, Tex.

Other wet spots early today included the Middle Atlantic coast and parts of California and Oregon. Falls generally were light.

Fair weather prevailed over most of the mid-continent with warming over most areas. Bismarck, N. D., reported 70 de-

Membership Day Set for Tuesday By Area Chamber

This is Chamber of Commerce membership time. Thirty-nine volunteer workers will solicit new memberships in the Kingston Area Chamber of Commerce for the fiscal year starting May 1. Final plans for the campaign were announced today by George Silkworth, chairman of the membership committee.

Statements for the renewal of all memberships which become due on May 1 are also being mailed today.

"It is especially important for all memberships to come in promptly," Silkworth said, "because only active, paid-up memberships as of June 1 can be included in the new 1955-56 edition of the classified directory.

TUESDAY, MAY 3, has been designated as "Membership Day." The committee has set a goal of 100 new memberships for the day.

The membership committee will have a breakfast meeting at

Plan Adopted For Local Trees

Preservation Program Is Scheduled For City Hall and Academy Green

The Board of Public Works at a meeting Friday afternoon authorized Arboreal Associates, tree experts, to undertake a program to preserve the trees at the City Hall and Academy Green properties.

Acceptance of deeds to several streets in newly developed areas was recommended, a contract with Central Hudson Gas and Electric Corporation for new street lights on Pine Grove avenue was authorized and routine business was transacted.

The tree program, at an estimated cost of $748, will include pruning, spraying and other work, as well as the removal of several trees. All work will be done by Aboreal Associates except for removal of debris, which the BPW will do with its own men and equipment.

ADOPTION of a resolution engaging the tree firm followed a report of a tree-by-tree survey made of the two city properties, with recommendations for preservation especially of the stately elms that beautify the two places.

It was pointed out that the large elm trees provide a good setting for the city hall and are an asset to the city that would be hard to replace if the trees were allowed to deteriorate.

Present at Friday afternoon's meeting in the mayor's office were Mayor Frederick H. Stang, president of the board, and Commissioners Raymond L. Whitbeck and Charles O. Davis.

NEW STREET lights were authorized for Pine Grove avenue to replace the old metal standards after it was pointed out by Ernest Steuding, superintendent and by Commissioner Whitbeck, chairman of the lighting committee, that the present standards were in poor condition and probably could not be replaced due to obsolescence.

The standards are owned by the city and have to be maintained by the city, it was pointed out. An additional charge is made for the underground circuit.

THE BOARD accepted a recommendation from Central Hudson Gas and Electric Corporation to provide 1500 candlepower mercury vapor luminaries mounted on the utility firm's own poles in place of the old lamps. The new lamps would be mounted on Central Hudson's own poles.

Central Hudson pointed out that although yearly operational costs would be higher—$874.45 for the mercury vapor luminaries compared to $643.78 for the present system—the new lights would be owned and main-

22 Billion Road Plan Approved

Key Features of President Junked

Washington, April 30 (AP)—A Senate subcommittee has junked some key features of President Eisenhower's highway program in approving its own five-year, 22-billion-dollar road-construction plan.

The public roads subcommittee approved the bill 6-3 yesterday.

Chairman Gore (D.-Tenn.) described it as a compromise between legislation he introduced and the administration's recommendation for a 10-year federal-state-local program to cost about 101 billion dollars.

But Sen. Bush (R.-Conn.), a subcommittee member, termed the new bill "totally inadequate." He pledged he would try to get the parent public works committee to adopt, instead, Eisenhower's "forward looking highway program."

The new bill retains the present federal-aid concept, but increases the federal commitment and for interstate highways would boost the degree of federal participation from 60 to 75 per cent of the cost.

Broken down, the federal share would come to $13,655,000,000, the state slice to be $8,084,000,000.

Discarded by the subcommittee was the President's proposal to create a new federal agency to issue 30-year bonds for an interstate road network. All federal funds would have to be furnished via appropriations.

The subcommittee also threw out an administration proposal under which the federal government would repay the states for money spent on toll roads that become part of the interstate system.

Two subcommittee recommendations seemed likely to arouse opposition:

1. That the federal gasoline tax, now two cents a gallon, be raised to three cents.

2. A federal limit on weight and size of trucks.

Reports Newsman Safe

Washington, April 30 (AP)—The State Department reports newsman Wilfrid O'Driscoll is safe in Hereford, Wales. O'Driscoll, farm editor of the Utica Press, had been missing since Dec. 21, when he wrote to his sister in Watertown, N. Y., from Copenhagen, Denmark.

Vols Meet Sunday On '55 Convention

A meeting of the general committee for the annual convention of the Hudson Valley Volunteer Firemen's Association is scheduled Sunday at 2 p. m. in the firehouse of Wicks Truck and Engine Co., Wiltwyck avenue.

Business of importance is to be transacted relative to the convention in Kingston June 16, 17 and 18.

Residents Asked To Show Flags On Loyalty Day

Loyalty Day will be observed tomorrow in the area with parades and ceremonies scheduled in Poughkeepsie.

No ceremonies are planned in Kingston but Mayor Frederick H. Stang has asked residents to display their flags.

A FULL DAY of activities, featuring church services, a parade, memorial services, refreshments, entertainment and a dance were scheduled today in Saugerties. The celebration there is sponsored by Saugerties Post 5034, VFW, with the cooperation of other local organizations.

Aproximately 4,000 persons are expected to march in the Loyalty Day parade in Poughkeepsie Sunday, followed by ceremonies at Riverview Field at 4 p. m., featuring an address by Roy M. Cohn, former counsel to the Senate investigation committee.

May Take Active Role In Crisis

Nehru Will Send Aide to Peiping

New Delhi, India, April 30 (AP)—Prime Minister Nehru said today India proposed to take an active role toward solving the Formosa crisis.

As a first step, Nehru said his chief foreign policy adviser, V. K. Krishna Menon, plans a trip to Peiping.

A foreign ministry spokesman said Menon's departure would be in "a matter of days."

MENON, who heads India's delegation to the United Nations, has often represented Nehru in East-West negotiations.

Diplomatic sources said Nehru's statement on Formosa represents the furthest he has ever committed India in the crisis.

Nehru made the reference to Formosa after reviewing for Parliament the Asian-African conference which wound up at Bandung, Indonesia last Sunday.

HE NOTED that Bandung was the scene of Red Chinese Premier Chou En-lai's offer of direct talks with the United States on Formosa and said that if the Americans accept it could lead to a peaceful solution.

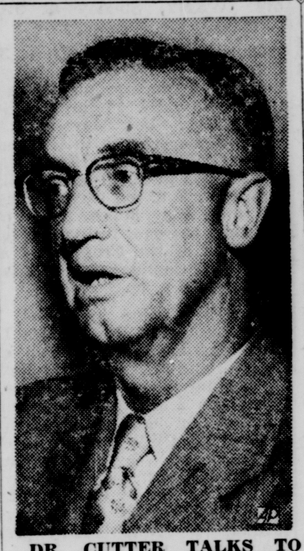
President Eisenhower said this week the United States would be glad to talk with the Chinese Communists about a Formosa cease-fire.

Nehru said India's government has explored the Formosa situation through its envoys in London, Washington and Ottawa. He added, "We increasingly felt efforts were needed to bridge the gulf. We have the privilege and advantage of being friendly with both sides."

Nehru said Menon was going to Peiping at Chou's request "in order to continue the Bandung talks."

Strike Break Bleak

London, April 30 (AP)—Hopes of blocking a national rail strike set for midnight Sunday appeared bleak today. Union-management sessions over the past week have failed to break the dispute.



DR. CUTTER TALKS TO REPORTERS—Dr. Robert K. Cutter, president of the Cutter Laboratories, talks with newsmen at a news conference in Berkeley, Cal., April 28. The Salk anti-polio vaccine produced by Cutter Laboratories was withdrawn from the market after several children were stricken with polio when inoculated with it. (AP Wirephoto)

Auto Is Ditched On Bridge Road Following Chase

A stolen car was ditched on the Connelly road just south of the Rondout Creek bridge early today after a police chase from the central Kingston area.

Officers Krom and Mazzucca, cruising in a police patrol car, saw the vehicle speeding down Broadway and gave chase, notifying headquarters by radio that they were leaving the city to continue the pursuit.

THE DRIVER of the vehicle turned right into the Connelly road just south of the bridge and ditched the car, a 1946 passenger vehicle, when the chase got too hot. Police said the man took to the woods and escaped.

At the time, Officers Krom and Mazzucca did not know the car had been stolen.

Richard Joseph of the River road, Port Ewen, reported to headquarters that the car, owned by his father, Walter Joseph, had been stolen from the vicinity of the bus terminal. The car was returned to its owner.

Dr. Salk Is Present at Conference

All Cutter Cases Being Observed

Washington, April 30 (AP)—The developer and chief tester of the Salk polio vaccine worked with other medical experts today on a case-by-case study among the 29 children afflicted after receiving the shots.

Technical representatives of the drug manufacturers making the vaccine were added today to the conference started yesterday by public health service representatives and 11 outside experts on polio and immunology.

THESE INCLUDED Dr. Jonas E. Salk of Pittsburgh and Dr. Thomas Francis of the University of Michigan, who headed the team which evaluated results of Salk vaccine tests conducted last year.

The Public Health Service, disclosing last night that it had called the experts for a two-day conference, said:

"The consultants are reviewing the epidemiological and medical histories of polio cases who received the Cutter vaccine."

The reference was to the vaccine supplied by Cutter Laboratories of Berkeley, Calif., which was withdrawn for further tests after a number of childreng inoculated with it were stricken by polio.

The experts here, like others working in California, were seeking to determine whether some possible imperfection in the vaccine supply, or mere coincidence, was responsible for the new cases.

IN BERKELEY, Dr. Robert K. Cutter and other officials of the Cutter Laboratories said they feel they are using a basically air tight procedure for testing their vaccine. Present principles will be retained, they said, even though some changes may be made in procedure.

They joined in a news conference with Dr. Karl Habel and Dr. J. T. Tripp, U. S. Public Health Service officials who flew to California Wednesday to study the vaccine and procedures for testing it. The two doctors declined to say how long their tests would take, but said Cutter is cooperating fully.

TWELVE NEW post-inoculation cases were reported yesterday to raise the total to 29. The new ones included seven in Idaho, two each in San Diego, Calif., and Washington state, and one in St. Louis, Mo. The

Upstate Road Bill Is Vetoed by Harriman

Albany, April 30 (AP)—Gov. Harriman today vetoed a Republican-backed bill that would have put upstate counties in line for an additional five million dollars in road-building funds next year.

The measure, recommended by the temporary state commission on highway finance, would have required counties to match the state funds in order to be eligible.

The commission advanced the proposals to encourage county road construction. The governor gave no reason for rejecting it.

THE 57 COUNTIES outside New York city now receive about 12 million dollars a year for their road funds in the form of a 10 per cent cut ot the state taxes on motor fuel.

The governor also vetoed bills that would have:

1. Given the board of commissioners of the State Land Office authority to issue easements and permits for the use of lands under the St. Lawrence and Niagara rivers.

2. Created a Westchester county parkway authority to take control of parkways in the county (Sen. Pliny Williamson, R.-Scarsdale).

Harriman quoted John W. Johnson, state public works superintendent, as saying the measure would put the authority "in a position of virtual usurpation of the rights, duties and powers" of the Public Works Department.

THE GOVERNOR approved bills that:

1. Authorize construction of a new state highway in Erie county, from Springville to the intersection of Route 527 and the McKinley Parkway.

2. Extend until April 1, 1956, the life of the Metropolitan Rapid Transit Commission (Assemblyman John R. Brook and Sen. MacNeil Mitchell, Manhattan Republicans).

3. Legalize an act by which the city of Corning last year authorized purchase of land for off-street parking facilities without permission of the voters.

Yesterday Harriman vetoed a Republican-backed bill to require candidates for office to file written acceptances with their signed nominating petitions.

THE BILL would have barred candidates who did so from withdrawing prior to a primary race unless designated by the same party to run for another office. Brook was the sponsor.

Democratic legislators had contended that the measure was directed against the Liberal Party in New York city. The party frequently has withdrawn its candidates to give backing instead to Democratic office-seekers.

A bill signed yesterday gives sheriffs and chief executives of cities authority to call for local civil defense drills, and the governor power to call statewide CD tests.

Dr. Salk Brings Happy Memories To Hunter Folk

Announcement of the effectiveness of the Salk polio vaccine was greeted with particular pride and jubilation in the village of Hunter. For residents of the Catskill mountain community remember with fondness the two weeks Dr. Jonas Salk, the famous scientist, spent in that village two years ago.

He visited his brother, Herman, who is married to the former Miss Berg of Hunter. The Bergs are the former owners of the Hunter Steam Laundry.

BOTH Mr. and Mrs. Salk are veterinarians, and presently live on a California ranch.

The family attachment and Dr. Salk's visit makes Hunter especially proud of the eminent discoverer of the polio vaccine.

Upstate Manhunt Presses On for Armed Jailbreakers

North Lawrence, April 30 (AP)—A 200-man posse today stalked 10 square miles of swamp and tangled woods in which three armed jailbreakers were believed hiding.

State police said the fugitives still had 20 rounds of ammunition. In a gun battle yesterday a trooper was wounded and a fourth jailbreaker was caught.

Sheriff's deputies, police from nearby communities and volunteers augumented a force of 80 troopers.

The manhunt pressed forward in low-lying swamp, briar, thicket and woods.

The four men broke out Wednesday from the St. Lawrence County Jail at Canton, taking two pistols with them.

Two troopers, checking abandoned farmhouses, found the fugitives early yesterday afternoon after noticing one with a broken window. In investigating, they heard noises upstairs in the two-story house. Trooper A. J. Golby returned to the patrol car to radio for help while his partner, Austin J. McDonagh, 34, stayed at the foot of the stairs.

McDonagh was wounded in the leg and shoulder while Golby was gone. As Golby ran back he fired at a face in an upstairs window.

Three men fled through a broken window. Leon Caskinet, 24, of Raymondville, was found in the farmhouse about 100 yards away.

About an hour and a half later a party of eight entered the woods with a bloodhound. But they gave up at nightfall. The dog lost the scent in water, mud and slime.

McDonagh was taken to a Malone hospital. State police said

MAP PLANS FOR $50,000 JEWISH APPEAL—About 60 workers attended a planning dinner for the United Jewish Appeal drive at Tina's Restaurant this week in preparation for the campaign due to start May 1. Seated (l-r) are Jack Brass, public relations officer of Hebrew University in Jerusalem, who was guest speaker; Herman G. Rafalowsky, chairman; Joseph Honig, chairman of initial gifts; Benjamin Schecter, co-chairman of worker's group and Barnett Epstein, representing the Chichester area; standing (l-r) Aaron Klein, chairman of workers; Herman Eaton, president of the Jewish Council; Miss Sadie Lutzin, acting secretary for the Jewish Community Center; Abraham Streifer, president of the JCC; Arthur Ewig, chairman of last year's UJA campaign and Ben Silverman, treasurer of last year's drive. Norman Rafalowsky, not shown, is treasurer this year. The 1955 drive, which will be held during May, has a goal of $50,000 for Kingston and surrounding area. During the meting, Mr. Honig was honored with an award of merit for his work in other appeal drives. (Freeman photo)

Bill Is Rejected to Name State Thruway for Dewey

Albany, April 30 (AP)—Gov. Harriman has vetoed a bill to name the state thruway after Thomas E. Dewey.

The Democratic governor said in a memorandum accompanying his veto yesterday that he sympathized with the Legislature's desire to honor his Republican predecessor. But he added, "It seems to me that this is not an appropriate way to do it."

"The records of the department of public works," Harriman declared, "reveal no precedent for naming a state highway for an individual, no matter how renowned."

The Republican state chairman commented, "There is no precedent for building such a superhighway in this state, either." L. Judson Morehouse said the veto was "amusing."

Harriman's memorandum added:

"It would seem sound to adhere to the past policy of the state. Although I sympathize

But Sen. Bush (R.-Conn.), a subcommittee member, termed the new bill "totally inadequate." He pledged he would try to get the parent public works committee to adopt, instead, Eisenhower's "forward looking highway program."

The new bill retains the present federal-aid concept, but increases the federal commitment and for interstate highways would boost the degree of federal participation from 60 to 75 per cent of the cost.

Broken down, the federal share would come to $13,655,000,000, the state slice to be $8,084,000,000.

Discarded by the subcommittee was the President's proposal to create a new federal agency to issue 30-year bonds for an interstate road network. All federal funds would have to be furnished via appropriations.

The subcommittee also threw out an administration proposal under which the federal government would repay the states for money spent on toll roads that become part of the interstate system.

Two subcommittee recommendations seemed likely to arouse opposition:

1. That the federal gasoline tax, now two cents a gallon, be raised to three cents.

2. A federal limit on weight and size of trucks.

May Take Active Role In Crisis

Nehru Will Send Aide to Peiping

New Delhi, India, April 30 (AP)—Prime Minister Nehru said today India proposed to take an active role toward solving the Formosa crisis.

As a first step, Nehru said his chief foreign policy adviser, V. K. Krishna Menon, plans a trip to Peiping.

A foreign ministry spokesman said Menon's departure would be in "a matter of days."

MENON, who heads India's delegation to the United Nations, has often represented Nehru in East-West negotiations.

Diplomatic sources said Nehru's statement on Formosa represents the furthest he has ever committed India in the crisis.

Nehru made the reference to Formosa after reviewing for Parliament the Asian-African conference which wound up at Bandung, Indonesia last Sunday.

HE NOTED that Bandung was the scene of Red Chinese Premier Chou En-lai's offer of direct talks with the United States on Formosa and said that if the Americans accept it could lead to a peaceful solution.

President Eisenhower said this week the United States would be glad to talk with the Chinese Communists about a Formosa cease-fire.

Nehru said India's government has explored the Formosa situation through its envoys in London, Washington and Ottawa. He added, "We increasingly felt efforts were needed to bridge the gulf. We have the privilege and advantage of being friendly with both sides."

Nehru said Menon was going to Peiping at Chou's request "in order to continue the Bandung talks."

Strike Break Bleak

London, April 30 (AP)—Hopes of blocking a national rail strike set for midnight Sunday appeared bleak today. Union-management sessions over the past week have failed to break the dispute.

DR. CUTTER TALKS TO REPORTERS— Dr. Robert K. Cutter, president of the Cutter Laboratories, talks with newsmen at a news conference in Berkeley, Cal., April 28. The Salk anti-polio vaccine produced by Cutter Laboratories was withdrawn from the market after several children were stricken with polio when inoculated with it. (AP Wirephoto)

Auto Is Ditched On Bridge Road Following Chase

A stolen car was ditched on the Connelly road just south of the Rondout Creek bridge early today after a police chase from the central Kingston area.

Officers Krom and Mazzucca, cruising in a police patrol car, saw the vehicle speeding down Broadway and gave chase, notifying headquarters by radio that they were leaving the city to continue the pursuit.

THE DRIVER of the vehicle turned right into the Connelly road just south of the bridge and ditched the car, a 1946 passenger vehicle, when the chase got too hot. Police said the man took to the woods and escaped.

At the time, Officers Krom and Mazzucca did not know the car had been stolen.

Richard Joseph of the River road, Port Ewen, reported to headquarters that the car, owned by his father, Walter Joseph, had been stolen from the vicinity of the bus terminal. The car was returned to its owner.

Dr. Salk Is Present at Conference

All Cutter Cases Being Observed

Washington, April 30 (AP)—The developer and chief tester of the Salk polio vaccine worked with other medical experts today on a case-by-case study among the 29 children afflicted after receiving the shots.

Technical representatives of the drug manufacturers making the vaccine were added today to the conference started yesterday by public health service representatives and 11 outside experts on polio and immunology.

THESE INCLUDED Dr. Jonas E. Salk of Pittsburgh and Dr. Thomas Francis of the University of Michigan, who headed the team which evaluated results of Salk vaccine tests conducted last year.

The Public Health Service, disclosing last night that it had called the experts for a two-day conference, said:

"The consultants are reviewing the epidemiological and medical histories of polio cases who received the Cutter vaccine."

The reference was to the vaccine supplied by Cutter Laboratories of Berkeley, Calif., which was withdrawn for further tests after a number of childreng inoculated with it were stricken by polio.

The experts here, like others working in California, were seeking to determine whether some possible imperfection in the vaccine supply, or mere coincidence, was responsible for the new cases.

IN BERKELEY, Dr. Robert K. Cutter and other officials of the Cutter Laboratories said they feel they are using a basically air tight procedure for testing their vaccine. Present principles will be retained, they said, even though some changes may be made in procedure.

They joined in a news conference with Dr. Karl Habel and Dr. J. T. Tripp, U. S. Public Health Service officials who flew to California Wednesday to study the vaccine and procedures for testing it. The two doctors declined to say how long their tests would take, but said Cutter is cooperating fully.

TWELVE NEW post-inoculation cases were reported yesterday to raise the total to 29. The new ones included seven in Idaho, two each in San Diego, Calif., and Washington state, and one in St. Louis, Mo. The

Upstate Road Bill Is Vetoed by Harriman

Albany, April 30 (AP)—Gov. Harriman today vetoed a Republican-backed bill that would have put upstate counties in line for an additional five million dollars in road-building funds next year.

The measure, recommended by the temporary state commission on highway finance, would have required counties to match the state funds in order to be eligible.

The commission advanced the proposals to encourage county road construction. The governor gave no reason for rejecting it.

THE 57 COUNTIES outside New York city now receive about 12 million dollars a year for their road funds in the form of a 10 per cent cut ot the state taxes on motor fuel.

The governor also vetoed bills that would have:

1. Given the board of commissioners of the State Land Office authority to issue easements and permits for the use of lands under the St. Lawrence and Niagara rivers.

2. Created a Westchester county parkway authority to take control of parkways in the county (Sen. Pliny Williamson, R.-Scarsdale).

Harriman quoted John W. Johnson, state public works superintendent, as saying the measure would put the authority "in a position of virtual usurpation of the rights, duties and powers" of the Public Works Department.

THE GOVERNOR approved bills that:

1. Authorize construction of a new state highway in Erie county, from Springville to the intersection of Route 527 and the McKinley Parkway.

2. Extend until April 1, 1956, the life of the Metropolitan Rapid Transit Commission (Assemblyman John R. Brook and Sen. MacNeil Mitchell, Manhattan Republicans).

3. Legalize an act by which the city of Corning last year authorized purchase of land for off-street parking facilities without permission of the voters.

Yesterday Harriman vetoed a Republican-backed bill to require candidates for office to file written acceptances with their signed nominating petitions.

THE BILL would have barred candidates who did so from withdrawing prior to a primary race unless designated by the same party to run for another office. Brook was the sponsor.

Democratic legislators had contended that the measure was directed against the Liberal Party in New York city. The party frequently has withdrawn its candidates to give backing instead to Democratic office-seekers.

A bill signed yesterday gives sheriffs and chief executives of cities authority to call for local civil defense drills, and the governor power to call statewide CD tests.

Dr. Salk Brings Happy Memories To Hunter Folk

Announcement of the effectiveness of the Salk polio vaccine was greeted with particular pride and jubilation in the village of Hunter. For residents of the Catskill mountain community remember with fondness the two weeks Dr. Jonas Salk, the famous scientist, spent in that village two years ago.

He visited his brother, Herman, who is married to the former Miss Berg of Hunter. The Bergs are the former owners of the Hunter Steam Laundry.

BOTH Mr. and Mrs. Salk are veterinarians, and presently live on a California ranch.

The family attachment and Dr. Salk's visit makes Hunter especially proud of the eminent discoverer of the polio vaccine.

Bill Is Rejected to Name State Thruway for Dewey

Albany, April 30 (AP)—Gov. Harriman has vetoed a bill to name the state thruway after Thomas E. Dewey.

The Democratic governor said in a memorandum accompanying his veto yesterday that he sympathized with the Legislature's desire to honor his Republican predecessor. But he added, "It seems to me that this is not an appropriate way to do it."

"The records of the department of public works," Harriman declared, "reveal no precedent for naming a state highway for an individual, no matter how renowned."

The Republican state chairman commented, "There is no precedent for building such a superhighway in this state, either." L. Judson Morehouse said the veto was "amusing."

Harriman's memorandum added:

"It would seem sound to adhere to the past policy of the state. Although I sympathize

Your Life And Mine

NEW NESTS

Right now there is a pair of happy birds, busy in almost every tree or bush, putting together something that is a glorious part of a feathered dream. They have come back from the Southland bubbling over with enthusiasm for the joyous project of raising another nestful of precious birdlings.

Here is one thing you must have noticed: last season's nest is not worthy to fulfill this season's winged project. There must be a new nest. Nobody ever saw a pair of birds come back, after the winter's migration, and start eyeing an old nest to see if it wouldn't do for one more summer. No matter how well last year's nest may have been built; no matter how much singing for the sheer joy of having little birdies they may have done on its thatched edge last year—still, they never come back to it with any apparent idea that the old nest can serve the thrilling purposes of the new dream. Some birds, robins for example, will build in the same spot year after year. But last season's edifice of mud and straw has to have such a complete renovation that it becomes a completely new nest before there can be any thought entertained in those feathered heads that it is worthy of the eggs that are soon to be laid in it.

These winged friends of ours have a mighty lesson to teach us about life. If life for us is to be something promisingly vital we must follow the wisdom of the fresh start each new day. As Susan Coolidge has said:

"Every day is a new beginning
Every morn is the world made new."

We can't expect much first-grade wheat out of a re-threshing of yesterday's straw.

At apple blossom time in his later years, Henry W. Longfellow was once asked this question by one of his admiring friends: "How is it that you are still so vigorous and that it is possible for you to write so beautifully?" The poet arose from his chair and led his friend to the window. "Look at that apple tree yonder," he said. "It is the oldest apple tree there is in our grounds, and yet its blossoms this year are as beautiful as I have ever known them during the last fifty years. The secret is simply this: the tree makes a little new wood every year, and out of the new wood every year comes the lovely blossom."

K of C Radio Program

The Sacred Heart Program will be broadcast during the coming week over WHUC (1230 on the dial) weekdays at 10:45 a. m. and Sunday at 12:15 p. m. and over WKNY weekdays at 6 a. m. The Ave Maria Hour will be heard Sunday over WKNY at 10:30 a. m. The WKNY broadcasts of the Sacred Heart Program and Ave Maria Hour are sponsored by Kingston Council 275, Knights of Columbus.

Boy, 4, Shoots Self

New York, April 30 (AP)—The 4-year-old son of a Queens patrolman accidentally shot and killed himself yesterday with his father's service revolver. The boy, Richard Cuccias Jr., had climbed upon a chair to take the gun from the top shelf of a cabinet where his father placed it upon returning home. The youngster's parents were upstairs at the time, the father in bed and the mother doing housework. Hearing what sounded like a small "pop," the mother went downstairs to investigate. She fond her son dead with a bullet wound between the eyes.

Allegiance Bill Vetoed

Albany, April 30 (AP)—Gov. Averell Harriman yesterday vetoed a bill that would have required daily pledges of allegiance to the flag in the classrooms in New York state. Harriman said in a memorandum: "There is the danger of the pledge and salute becoming so habitual that it will lose the dignity and the patriotic fervor which it is intended to engender."

Lawyer, 80, Dies

Douglaston, April 30 (AP)—Ernest W. Marlow, 80, corporation lawyer and for many years counsel for B. Altman & Co., died today. He was a senior partner of the law firm of Marlow and Lincoln, 40 Exchange Place, New York city.

Your Life And Mine

NEW NESTS

Right now there is a pair of happy birds, busy in almost every tree or bush, putting together something that is a glorious part of a feathered dream. They have come back from the Southland bubbling over with enthusiasm for the joyous project of raising another nestful of precious birdlings.

Here is one thing you must have noticed: last season's nest is not worthy to fulfill this season's winged project. There must be a new nest. Nobody ever saw a pair of birds come back, after the winter's migration, and start eyeing an old nest to see if it wouldn't do for one more summer. No matter how well last year's nest may have been built; no matter how much singing for the sheer joy of having little birdies they may have done on its thatched edge last year—still, they never come back to it with any apparent idea that the old nest can serve the thrilling purposes of the new dream. Some birds, robins for example, will build in the same spot year after year. But last season's edifice of mud and straw has to have such a complete renovation that it becomes a completely new nest before there can be any thought entertained in those feathered heads that it is worthy of the eggs that are soon to be laid in it.

These winged friends of ours have a mighty lesson to teach us about life. If life for us is to be something promisingly vital we must follow the wisdom of the fresh start each new day. As Susan Coolidge has said:

"Every day is a new beginning
Every morn is the world made new."

We can't expect much first-grade wheat out of a re-threshing of yesterday's straw.

At apple blossom time in his later years, Henry W. Longfellow was once asked this question by one of his admiring friends: "How is it that you are still so vigorous and that it is possible for you to write so beautifully?" The poet arose from his chair and led his friend to the window. "Look at that apple tree yonder," he said. "It is the oldest apple tree there is in our grounds, and yet its blossoms this year are as beautiful as I have ever known them during the last fifty years. The secret is simply this: the tree makes a little new wood every year, and out of the new wood every year comes the lovely blossom."

K of C Radio Program

The Sacred Heart Program will be broadcast during the coming week over WHUC (1230 on the dial) weekdays at 10:45 a. m. and Sunday at 12:15 p. m. and over WKNY weekdays at 6 a. m. The Ave Maria Hour will be heard Sunday over WKNY at 10:30 a. m. The WKNY broadcasts of the Sacred Heart Program and Ave Maria Hour are sponsored by Kingston Council 275, Knights of Columbus.

Boy, 4, Shoots Self

New York, April 30 (AP)—The 4-year-old son of a Queens patrolman accidentally shot and killed himself yesterday with his father's service revolver. The boy, Richard Cuccias Jr., had climbed upon a chair to take the gun from the top shelf of a cabinet where his father placed it upon returning home. The youngster's parents were upstairs at the time, the father in bed and the mother doing housework. Hearing what sounded like a small "pop," the mother went downstairs to investigate. She fond her son dead with a bullet wound between the eyes.

Allegiance Bill Vetoed

Albany, April 30 (AP)—Gov. Averell Harriman yesterday vetoed a bill that would have required daily pledges of allegiance to the flag in the classrooms in New York state. Harriman said in a memorandum: "There is the danger of the pledge and salute becoming so habitual that it will lose the dignity and the patriotic fervor which it is intended to engender."

Lawyer, 80, Dies

Douglaston, April 30 (AP)—Ernest W. Marlow, 80, corporation lawyer and for many years counsel for B. Altman & Co., died today. He was a senior partner of the law firm of Marlow and Lincoln, 40 Exchange Place, New York city.

Gardiner House Destroyed by Fire

Manhattan Farms boarding house on Burnt Meadow road, about four miles southwest of Gardiner, was destroyed by a fire Friday night.

An alarm about 7 p. m., brought out the Gardiner Fire Department and a few minutes later the Shawangunk Valley department was summoned to assist, but firemen were unable to save the structure.

The building was owned by Bill Mosconi, who resided there with his family. There were no boarders this early in the season, however. No one was reported injured. Firemen had not determined the cause of the blaze this morning.

Young Housewife Slain

Sodus, April 30 (AP)—A young housewife was slain by a shotgun blast as she ran screaming down a street last night and her husband, a railroad section hand, was charged today with first-degree murder. Mrs. Blanche Vanderbrook, 27, was killed as three young daughters watched, and a 12-year-old stepdaughter, Mary Seymour, tried to shield her. Richard Vanderbrook, 32, fled into the woods but was captured today.

Hess on Hunger Strike

Berlin, April 30 (AP)—Rudolf Hess, former deputy Fuehrer of the Nazi Reich who reportedly tried to commit suicide recently, was said today to be on a hunger strike in Spandau war crimes prison. The U. S. high commission, responsible for the American share in administering the prison, brushed off queries. But it did not deny the story. The unofficial reports said that Hess started his hunger strike last Tuesday, his 61st birthday.

Invade Fraternity House

Chicago, April 30 (AP)—About 20 teen agers, wearing brass knuckles and swinging blackjacks, invaded a University of Chicago fraternity house last night and broke up a dance attended by 200 students. Two students were hospitalized. A dozen members of the Delta Upsilon fraternity resisted the teen agers.

3 Top Drum Corps Signed for June Event at Stadium

Three title-winning organizations have signed to take part in the Pageant of Champions drum corps competition scheduled June 18 at Dietz Memorial Stadium, according to an announcement from the committee in charge.

The event, first of its kind ever arranged for this city, will start at 8:30 p. m. and is expected to draw thousands to the uptown park, local residents and visitors to the annual convention of the Hudson Valley Volunteer Firemen's Association, which ends with a parade on the day of the competition.

THE THREE prize-winning corps announced today by the Pageant of Champions committee are:

Connecticut Yankees of Stratford, Conn., champions of their state for 17 consecutive years, and which placed third in the National American Legion competition in 1954.

Jersey Joes of Riverside, N. J., state champions several times and winers in 1949 of the National American Legion championship.

The Colonials of Morristown, N. J., who also won the New Jersey state title and have placed high in American Legion national competition.

OTHER CHAMPIONSHIP corps are to be announced as soon as they have signed, the committee said, emphasizing that many title-winning organizations have signified verbally that they intend to compete.

Members of the Port Ewen Drum Corps have tickets for the occasion and urge that general admissions and reserve seats be purchased early in order to avoid the rush expected from firemen's convention crowds.

Plan Adopted

tained by Central Hudson, saving the city cost of replacing the worn equipment.

The new system would also provide better illumination, it was pointed out.

IN RECOMMENDING acceptance of the Central Hudson proposal, Commissioner Whitbeck also said that inspection plates on many of the present standards were broken or missing and a hazardous condition exists in that children might be able to reach in and make contact with live wires.

The Board of Public Works, following the recommendation of the City Planning Board, approved the offer of deeds to two streets on the Clyde DuBois subdivision. The streets are Sharon Lane from Main street, a distance of 638 feet, and Westbrook Place from Sharon Lane, a distance of 206 feet.

ACTION TAKEN by the Board means that the proposed deeds now go to the Corporation Counsel for his recommendation and then to the Common Council for final action.

At the same time petitions from residents of those streets for various services and facilities were referred to the city engineer, along with the recommendation of the City Planning Board that "sidewalks be required despite the DuBois petition to the contrary."

Another deed offered for the street system in Kingston Park, Inc., development was referred to the city engineer's office for further development and study.

A PETITION for construction of a sanitary sewer on Florence street from Lincoln to Kachigian streets was referred to the city enginer. As provided in the City Charter, property owners would pay 75 per cent of the cost and the city the balance.

Also referred to the city engineer was a petition from property owners on Colonial and Huguenot streets, off Kiersted avenue, for sanitary sewer, storm drain, sidewalks, curbing and paving.

A communication from Arthur F. Hallinan, city engineer, recommending that a petition for storm water and sanitary sewers, curbing, sidewalk and paving on Forsythe Place be disapproved in its present form was received and filed. Hallinan pointed out that it would be impossible to provide sewage and drainage facilities because the street is approximately eight feet lower than the mains on Lucas avenue. He also noted that the street is not presently in existence and is "merely a projected point of entry to the proposed subdivision."

THE BOARD, on recommendation of its lighting committee, authorized erection of two street lights on Cummings avenue between Mountain View and Fairmont avenues; replacing of lights on Van Gaasbeek street and erection of a new light on John street.

Various resolutions introduced at the last Common Council meeting and referred to the board were turned over to the superintendent for study.

MJM School Entered And Candy Bars Taken

The Myron J. Michael School was entered during the night and some candy bars in the cafeteria stolen, according to a city police report.

Officers Dougherty and Keller reported that the building was entered by breaking a window in the right front side leading into the cafeteria entrance.

It was reported that a spare cash register, empty at the time, had been broken open.

The safety pin was patented in the United States in 1849.

GIOVANNI GRONCHI, left-wing Christian Democrat and president of Italy's Chamber of Deputies, was elected on the fourth ballot April 29, as Italy's second president. Gronchi, a World War 2 resistance leader, presided over the session of Senators, Deputies and Regional Representatives that elected him in Rome.

Changes May Effect Vets' Home Buying

F. William Sheehan, officer in charge, Veterans Administration Contact Office, 286 Fair street, said that some changes have been instituted which may affect veterans who will purchase homes in this area. He also announced that the new regulation will not apply to units for which Veterans Administration issued certificates of Reasonable Value prior to April 28, 1955 or where a bonafide contract in writing was entered into by the veteran prior to April 28.

Effective April 28, closing costs will not be included in VA guaranteed or insured loans. These closing expenses include title evidence, search costs, hazard insurance premiums, prepaid taxes, recording and notary fees and the one per cent fee required by the lender in place of other costs. Closing costs hereafter will have to be paid in cash by the veteran at the time he takes title to his new home.

Cuneo's Restaurant Re-opening Tonight

Cuneo's Restaurant, 618 Broadway, one of the oldest eating establishments in the area, will hold its grand re-opening tonight.

The restaurant was established 60 years ago by John Cuneo, the father of Mrs Edith Zaccheo, whose son, Jack, presently owns and operates the establishment.

Completely refurbished in its front and interior, inverted lighting and new furnishings have been added, giving the cocktail lounge and dining room a new decor.

Clementine Nessel and her accordion will entertain tonight.

Woman Is Injured In Uptown Mishap

Mrs. Alice Cantine of Beatty's Farm on the Hurley road reportedly injured her neck in a two-car collision at Washington avenue and North Front street about 7:50 p. m. yesterday, according to a report on the city police blotter.

Mrs. Cantine was a passenger in a 1951 sedan operated by Warren Powell of 129 Cedar street, traveling south on Washington avenue, when it was involved in an accident with a 1955 passenger car operated by Wesley Styles of 85 Downs street, police said. The left front end of the Powell car was reported damaged.

Mrs. Cantine said this morning she had been "shaken up" by the collision and planned to see her physician today.

5 Criminal Cases Are Completed

Five criminal cases were disposed of in County Court Friday in the closing session of the term which was recessed over to June 6.

Irving Greenberg, 47, of 40 Alda Drive, Poughkeepsie, entered a plea of guilty to petit larceny and was given a year in the county jail and execution of sentence was suspended and he was placed on probation on condition he makes full restitution. He had been charged with grand larceny, second degree, arising out of transaction while he was employed as a salesman for a local concern. Nathaniel Rubin appeared for defendant. A second charge of forgery, second degree, was dismissed and cash bail was exonerated.

THOMAS DOUGHERTY, 16, Highland, charged with extortion in connection with receiving money from a Highland youth over a period of time, will have his case disposed of under the Youthful Offender statute. The indictment was sealed.

Walter David Miller, 16, Highland, who was also involved in the same extortion charge, was denied his application to have his case treated under the youthful offender law since he had previously been in trouble and had failed to report when placed on probation. He was sentenced to a term of 6 monhts in jail and will make $100 restitution. Stewart T. Schantz appeared for him. Credit for time served in jail will be allowed.

ANTHONY J. CARIFEE, 52, Newburgh, entered a plea of guilty to forgery, third degree. He had been charged with second degree forgery. Henry Grusky appeared for him and sentence will be pronounced later.

Clayton K. Oldenburg, 26, Ellenville also entered a plea of guilty to petit larceny. He had been charged with grand larceny. He was given a year in jail and execution of sentence suspended and he was placed on probation. Seymour Werbalowsky appeared for defendant. Restitution in the sum of $350 is to be made.

Other criminal cases were moved over to June 6 by Assistant District Attorney John Schick.

Upstate Manhunt

he was struck by bullets from each of the stolen pistols.

The missing three were identified as Frank Talarico, 44, of Utica; Ralph La Shomb, 29; of Potsdam; and Patrick Brooks, 26, of Gabriels. Talarico has a record of three felony convictions and is reported to have sworn he would not be taken alive again.

Other prisoners said Caskinet was forced at gunpoint to join the break.

Membership Day

7:45 a. m. Tuesday, May 3, at the Governor Clinton Hotel and make as many contacts as possible during the day. Results will be reported back to the office by 5:30 p. m.

The paid membership for the fiscal year ending today is 504 with several memberships still payable. The goal for 1955-56 is 600 paid memberships or a net increase of 96. Silkworth said, "The committee is very optimistic that the goal will be reached."

total included California 14, Idaho 9, Washington 2, and one each in Illinois, Colorado, Missouri and Georgia.

That they were still only a small percentage, however, was indicated by reports that the five listed in San Diego were among 26,000 inoculated children, and the nine in Idaho among 33,000 who received the vaccine.

CALIFORNIA OFFICIALS ordered that all further inoculations in that state be halted for at least a week, pending a decision in Washington. A special committee of state medical authorities called for the action. It also recommended against using gamma globulin or fresh vaccine from other firms for treatment of the stricken children.

Public Health Service officials have urged that the nation-wide inoculation program be continued as planned.

All except the Georgia case involved use of Cutter vaccine although the 4-year-old boy stricken in St. Louis, after taking a shot of Cutter vaccine, had received a second dose made by another firm the day before he became ill.

As in the other cases, the St. Louis boys' doctor said he may have contracted the disease before receiving the shots. Polio normally requires 10 to 14 days to develop, and most of the children have become ill in less than that time.

Bill Is Rejected

with the Legislature's desire to honor Gov. Dewey for his long and distinguished service to the state, it seems to me that this is not an appropriate way to do it."

The governor contended that the name "New York State Thruway" was "descriptive, unambiguous and helpful in promoting the state, and is a fitting recognition of the contribution of the many thousands in our state who contributed to its inception and construction."

Morhouse maintained that it was Dewey who made possible the Thruway.

Republican researchers maintained that a 15-mile highway in Yates county had been named after Marcus Whitman, a 19th century medical missionary. They said the highway comprised state routes 247 and 364 between Rushville and Penn Yan.

But a spokesman for the public works department said there was no record of such a designation in the department.

A GOP source said Whitman was born in Rushville and traveled west along the Oregon Trail with his family.

Claims Producers Welshed on Role

New York, April 30 (AP)—Crooner-actor Frank Sinatra is suing the producers of the prize-winning movie "On the Waterfront" for $500,000, charging they welshed on an oral agreement to give him the starring role.

At the same time, Sinatra is feuding with Ed Sullivan of the TV show "Toast of the Town." Sullivan yesterday denounced what he called Sinatra's "reckless charge" that he does not pay performers on his show.

Sinatra's suit names as defendants Samuel Spiegel, also known as S. P. Eagle, Horizon-American Corp., Horizon-American Inc. and Horizon-American Pictures Inc. The suit came to light yesterday when the producers announced they would appeal from a court decision refusing to dismiss the complaint.

Victim Aids Capture

New York, April 30 (AP)—A Roman Catholic priest, stabbed five times yesterday by an attacker in a shelter for homeless men, chased his assailant and aided in the man's capture. The Rev. Edward J. Donovan, 26, assistant to the director of the Holy Name Center for Homeless Men in lower Manhattan, said he met the man coming down an elevator from the sixth floor of the center. The man, identified as Clem Bruce, 46-year-old Negro, said he wanted to see the sexton of the Our Lady of Loreto Church, which adjoins the home. The priest directed Bruce and shouted to him when he went the wrong way.

Gardiner House Destroyed by Fire

Manhattan Farms boarding house on Burnt Meadow road, about four miles southwest of Gardiner, was destroyed by a fire Friday night.

An alarm about 7 p. m., brought out the Gardiner Fire Department and a few minutes later the Shawangunk Valley department was summoned to assist, but firemen were unable to save the structure.

The building was owned by Bill Mosconi, who resided there with his family. There were no boarders this early in the season, however. No one was reported injured. Firemen had not determined the cause of the blaze this morning.

Young Housewife Slain

Sodus, April 30 (AP)—A young housewife was slain by a shotgun blast as she ran screaming down a street last night and her husband, a railroad section hand, was charged today with first-degree murder. Mrs. Blanche Vanderbrook, 27, was killed as three young daughters watched, and a 12-year-old stepdaughter, Mary Seymour, tried to shield her. Richard Vanderbrook, 32, fled into the woods but was captured today.

Hess on Hunger Strike

Berlin, April 30 (AP)—Rudolf Hess, former deputy Fuehrer of the Nazi Reich who reportedly tried to commit suicide recently, was said today to be on a hunger strike in Spandau war crimes prison. The U. S. high commission, responsible for the American share in administering the prison, brushed off queries. But it did not deny the story. The unofficial reports said that Hess started his hunger strike last Tuesday, his 61st birthday.

Iron Worker Acquitted

New York, April 30 (AP)—An all-male jury yesterday acquitted Robert Solla, 21, an iron worker, of first degree manslaughter in the fatal stabbing of a man visiting Solla's wife last Nov. 28. The victim was Jose Francisco Velez Pagan, 49, of Berlin, Conn. Solla and his wife, Estelle, embraced tearfully when the verdict was returned in Bronx County Court.

Cuneo's Restaurant, 618 Broadway, one of the oldest eating establishments in the area, will hold its grand re-opening tonight.

The restaurant was established 60 years ago by John Cuneo, the father of Mrs. Edith Zaccheo, whose son, Jack, presently owns and operates the establishment.

Completely refurbished in its front and interior, inverted lighting and new furnishings have been added, giving the cocktail lounge and dining room a new decor.

Clementine Nessel and her accordion will entertain tonight.

Woman Is Injured In Uptown Mishap

Mrs. Alice Cantine of Beatty's Farm on the Hurley road reportedly injured her neck in a two-car collision at Washington avenue and North Front street about 7:50 p. m. yesterday, according to a report on the city police blotter.

Mrs. Cantine was a passenger in a 1951 sedan operated by Warren Powell of 129 Cedar street, traveling south on Washington avenue, when it was involved in an accident with a 1955 passenger car operated by Wesley Styles of 85 Downs street, police said. The left front end of the Powell car was reported damaged.

Mrs. Cantine said this morning she had been "shaken up" by the collision and planned to see her physician today.

5 Criminal Cases Are Completed

Five criminal cases were disposed of in County Court Friday in the closing session of the term which was recessed over to June 6.

Irving Greenberg, 47, of 40 Alda Drive, Poughkeepsie, entered a plea of guilty to petit larceny and was given a year in the county jail and execution of sentence was suspended and he was placed on probation on condition he makes full restitution. He had been charged with grand larceny, second degree, arising out of transaction while he was employed as a salesman for a local concern. Nathaniel Rubin appeared for defendant. A second charge of forgery, second degree, was dismissed and cash bail was exonerated.

THOMAS DOUGHERTY, 16, Highland, charged with extortion in connection with receiving money from a Highland youth over a period of time, will have his case disposed of under the Youthful Offender statute. The indictment was sealed.

Walter David Miller, 16, Highland, who was also involved in the same extortion charge, was denied his application to have his case treated under the youthful offender law since he had previously been in trouble and had failed to report when placed on probation. He was sentenced to a term of 6 monhts in jail and will make $100 restitution. Stewart T. Schantz appeared for him. Credit for time served in jail will be allowed.

ANTHONY J. CARIFEE, 52, Newburgh, entered a plea of guilty to forgery, third degree. He had been charged with second degree forgery. Henry Grusky appeared for him and sentence will be pronounced later.

Clayton K. Oldenburg, 26, Ellenville also entered a plea of guilty to petit larceny. He had been charged with grand larceny. He was given a year in jail and execution of sentence suspended and he was placed on probation. Seymour Werbalowsky appeared for defendant. Restitution in the sum of $350 is to be made.

Other criminal cases were moved over to June 6 by Assistant District Attorney John Schick.

Upstate Manhunt

he was struck by bullets from each of the stolen pistols.

The missing three were identified as Frank Talarico, 44, of Utica; Ralph La Shomb, 29; of Potsdam; and Patrick Brooks, 26, of Gabriels. Talarico has a record of three felony convictions and is reported to have sworn he would not be taken alive again.

Other prisoners said Caskinet was forced at gunpoint to join the break.

Membership Day

7:45 a. m. Tuesday, May 3, at the Governor Clinton Hotel and make as many contacts as possible during the day. Results will be reported back to the office by 5:30 p. m.

The paid membership for the fiscal year ending today is 504 with several memberships still payable. The goal for 1955-56 is 600 paid memberships or a net increase of 96. Silkworth said, "The committee is very optimistic that the goal will be reached."

total included California 14, Idaho 9, Washington 2, and one each in Illinois, Colorado, Missouri and Georgia.

That they were still only a small percentage, however, was indicated by reports that the five listed in San Diego were among 26,000 inoculated children, and the nine in Idaho among 33,000 who received the vaccine.

CALIFORNIA OFFICIALS ordered that all further inoculations in that state be halted for at least a week, pending a decision in Washington. A special committee of state medical authorities called for the action. It also recommended against using gamma globulin or fresh vaccine from other firms for treatment of the stricken children.

Public Health Service officials have urged that the nation-wide inoculation program be continued as planned.

All except the Georgia case involved use of Cutter vaccine although the 4-year-old boy stricken in St. Louis, after taking a shot of Cutter vaccine, had received a second dose made by another firm the day before he became ill.

As in the other cases, the St. Louis boys' doctor said he may have contracted the disease before receiving the shots. Polio normally requires 10 to 14 days to develop, and most of the children have become ill in less than that time.

Bill Is Rejected

with the Legislature's desire to honor Gov. Dewey for his long and distinguished service to the state, it seems to me that this is not an appropriate way to do it."

The governor contended that the name "New York State Thruway" was "descriptive, unambiguous and helpful in promoting the state, and is a fitting recognition of the contribution of the many thousands in our state who contributed to its inception and construction."

Morhouse maintained that it was Dewey who made possible the Thruway.

Republican researchers maintained that a 15-mile highway in Yates county had been named after Marcus Whitman, a 19th century medical missionary. They said the highway comprised state routes 247 and 364 between Rushville and Penn Yan.

But a spokesman for the public works department said there was no record of such a designation in the department.

A GOP source said Whitman was born in Rushville and traveled west along the Oregon Trail with his family.

Claims Producers Welshed on Role

New York, April 30 (AP)—Crooner-actor Frank Sinatra is suing the producers of the prize-winning movie "On the Waterfront" for $500,000, charging they welshed on an oral agreement to give him the starring role.

At the same time, Sinatra is feuding with Ed Sullivan of the TV show "Toast of the Town." Sullivan yesterday denounced what he called Sinatra's "reckless charge" that he does not pay performers on his show.

Sinatra's suit names as defendants Samuel Spiegel, also known as S. P. Eagle, Horizon-American Corp., Horizon-American Inc. and Horizon-American Pictures Inc. The suit came to light yesterday when the producers announced they would appeal from a court decision refusing to dismiss the complaint.

Victim Aids Capture

New York, April 30 (AP)—A Roman Catholic priest, stabbed five times yesterday by an attacker in a shelter for homeless men, chased his assailant and aided in the man's capture. The Rev. Edward J. Donovan, 26, assistant to the director of the Holy Name Center for Homeless Men in lower Manhattan, said he met the man coming down an elevator from the sixth floor of the center. The man, identified as Clem Bruce, 46-year-old Negro, said he wanted to see the sexton of the Our Lady of Loreto Church, which adjoins the home. The priest directed Bruce and shouted to him when he went the wrong way.

CUTTING CAMPAIGN COSTS

Senator Thomas C. Hennings, Jr., of Missouri, is a persevering man. He hopes to get a law passed which will really restrict lavish campaign expenditures. Now no one is allowed to give more than $5,000 to one candidate or one committee, and no national committee may spend more than $3,000,000.

Barn doors are nothing compared to the holes that this law leaves. Nothing prevents a rich man from giving $5,000 apiece to a whole series of committees, which are organized only to receive money, or from having members of his family each give $5,000. Thus a man might spend $250,000 on a campaign, and keep well within the law. Also no record is made of expenditures in primaries, or committees backing a single candidate, or committees whose activities are confined to a single state. Consequently, though theoretically $3,000,000 is all that a party may spend in a national election, actually the multiplicity of local spending groups may bring the amount up to $15,000,000. There have been several campaigns in which all the evidence pointed to a generosity by campaign donors far in excess of $3,000,000.

Hennings would require primary expenses to be reported, and make local committees state their outlays. No committee would be allowed to spend anything unless authorized by a candidate in writing.

It is now 30 years since the Corrupt Practices Act was passed. Experience shows the necessity of tightening its restrictions. Otherwise our offices will, in the long run, go to the highest bidder.

Every industry has its problems. Manufacturers of perfume are no exception. They find that sales of perfumes are lagging badly. So they've decided to launch a campaign to make women smell-conscious again.

ITALY'S ETRUSCAN PAST

Italy, which rightly thinks much of its great past, is disturbed over the looting of Etruscan tombs. Countries with tombs containing valuable objects have always been afflicted by thieves. The great excitement, a generation ago, over finding King Tutenkhamen's tomb in Egypt was because this alone, of all the rediscovered royal graves, had not been found by robbers, and thus it revealed astonishing riches to the 20th century excavators. Probably Etruscan tombs also have been broken into for centuries, but lately cases have been especially frequent.

The Etruscans, whose origin is uncertain but thought to be Asia Minor, ruled over most of Italy for some centuries before the fifth B. C. Rome itself was conquered by them at one time. Etruscan art is skillful, rather gloomy, and modern in spirit. The language has come down in many inscriptions, and in one long mummy-wrapping found in Egypt, where apparently an Etruscan family had settled. Unfortunately all efforts to interpret it have failed.

Even today traces of Etruscan civilization can be found in Italy. They evidently were a remarkable people of whom historians would like to know more.

A new gadget hasn't received nearly the attention it deserves. And if anything ever deserved public acclaim, certainly it's the roll stabilizers recently tried out successfully on the Queen Elizabeth. These stabilizers, which, according to the captain, allowed the liner to remain "steady as a rock" through a mid-Atlantic storm, seem to be a real boon. If they're as good as they sound from the captain's description, they could end the curse of seasickness.

A SPECIAL AWARD

President Eisenhower has asked Congress to establish a medal for distinguished civilian achievement. He wants the first recipient of the medal to be Dr. Jonas Salk, developer of the new polio vaccine.

Most European countries have a system for paying homage to citizens who make important contributions. In this country, although decorations have been awarded for valor in war since our earliest history, no such civilian award exists.

The president's idea is a sound one. Honoring civilian heroes is a way of expressing the gratitude of the nation to a citizen who gives largely of his strength and devotion. The virtues of citizenship necessary to the winning of such an award are not so common that they do not deserve special notice.

'These Days'

By GEORGE SOKOLSKY

IS THIS PEACE?

Back in the second century B.C. lived a Chinese Emperor, Wen Ti, who achieved that rank despite illegitimacy. During his reign, he had troubles with the Huns, who in time left his country to its devices and marched toward Europe where their conquests were many until they settled down and became civilized.

Treaties had been signed between the Sons of Han, who we call Chinese, and the barbarians of many tribes dividing the world at the Long Wall, the barbarians agreeing to stay north of the Wall, the Sons of Han south of it and they would coexist. Then came wicked men who advised the Huns to violate the treaties, to cross the Wall, to invade the rich lands to the south.

It was then that Wen Ti (179-157 B.C.) wrote a letter to the captain of a barbarian horde expressing his views. He said:

". . . Breaches of moral obligation and a treaty have occurred. There has been forgetfulness of family ties; and the tranquility of suzerain and vassal is at an end. This, however, belongs to the past. Your letter says, 'The two States had become friendly; their rulers friends. The tramp of armies had been stilled for more peaceful occupations, and great joy had come upon successive generations at the new order of things.' We truly rejoice over these words. Let us then tread together this path of wisdom in due compassion for the peoples committed to our charge. Let us make a fresh start. Let us secure quiet to the aged; and to the young, opportunity to grow up, and, without risk of harm, to complete their allotted span."

Now these were nice words, extraordinarily nice words, but fighting continued for many centuries, even until the present. Further Wen Ti wrote:

". . . Heaven, it is said, covers no one in particular; and Earth is the common resting-place of all men. Let us then dismiss these trifling grievances, and tread the broader path. Let us forget bygone troubles in a sincere desire to cement an enduring friendship, that our peoples may live like the children of a single family, while the blessings of peace and immunity from evil extend even to the fishes of the sea, to the fowls of the air, and to all creeping things. Unresting forever is the course of Truth. Therefore let us obliterate the past. We will take no count of deserters or of injuries sustained. Do you take no count of those who have joined our banner."

When Chou En-lai issued his masterly propaganda blast at the United States over the past week-end, he was speaking for effect, much like the Emperor Wen Ti, who did not want peace as much as time, who was caught by the necessities of internal problems and sought to push aside, temporarily, the onrush of dreaded international relations.

Chou En-lai had looked forward to Bandung as a place to achieve a victory, such as he gained at Geneva, without fighting for it. He moved on Bandung a heroic figure. But he was among Asiatics who discount the strut of the new great. Nearly all these men are new great, the older ones having been dissipated by war and revolution. Among such men, Chou was but one of many, which must have been unpleasant indeed.

His pal throughout the Bandung Conference was the Hindu, Nehru, who cuts such a wide swath among Europeans and Americans who regard his affection of a Tolstoy-Gandhi pacifism as wonderful. Again, among Asiatics, what Nehru had to say was old-hat and a bit tiresome because they had heard it often and were not a little bored by its futility. He backed the Communists to the hilt, which did not please or serve many of the others, particularly the Arabs who have other ideas and such countries as the Philippines and Pakistan who do not want to be taken over.

So, Nehru and Chou, who had hoped to establish an Asiatic-African leadership, only bumped their heads against a stonewall and came away sulking. It was then that Chou En-lai offered the United States peace on unacceptable terms—an offer made to hide his chagrin at his failure at Bandung. And for Chou it was a failure, for he barely escaped a censure of the Kremlin, which, had it passed, might have meant his political if not his physical finish.

That Body of Yours

HAMMERTOES

The number of men rejected by the armed forces because of hammertoes was unexpectedly large. The presence of hammertoes makes the matter of long marches out of the question because of pain that occurs.

What is meant by hammertoes? It means that the toes, usually the one next to the big toe, but often some of the others, are bent upwards at the first joint and cannot be straightened down flat in line with the others. This bent condition has lasted so long that the joint is permanently stiff and comes against the shoe with the result that usually it is capped with a well-developed corn or callous.

What has caused this condition? Ill-fitting shoes, usually too small in size for the foot. Thus the toes are cramped up and finally the joint becomes permanently flexed or bent.

Anyone can avoid this condition by wearing proper-fitting shoes. Suppose your toes are bent, but by pressure you find that you can straighten them down flat. Now is the time to get busy. First, secure good shoes with wide space for your toes. Then get a flat short piece of wood about as wide and as long as your toe. Bind your toe down to this with some ordinary adhesive tape. This should bring the joint straight and the toe in line with the others. This tape should be removed every few days, a little talcum or dusting powder put on the toe, and then a new piece of tape applied.

Suppose your toe is permanently bent in position? In these cases simple surgery can be used. The surgeon simply clips a piece of each bone forming the joint and allows the toe to get flat on the ground.

To avoid this painful condition from developing, make sure your own and your children's shoes allow the toes plenty of room to lie out flat. A correct shoe should have the following features: (a) inner sides of soles should be in a straight line to end of big toe; (b) a full ground toe to allow proper spread of toes, (c) heel should be narrow to grasp heel bone and hold it in position, (d) the shank between the sole and heel should not be broader than width of foot and should be moulded to form a definite arch in the shoe and should be stiff and not flexible to hold the correct balance, and (e) the inner side of sole and heel should be slightly higher than the outer side, which will help maintain the natural tendency of the foot to form a claw.

You cannot go far on painful feet. They are very important to your everyday living and will repay the care you give them.

Washington News Notebook

Washington (NEA) — "Hostess with the mostess" Perle Mesta has turned down an offer which would have jeopardized her amateur standing as a party thrower.

A plus new gambling casino in Las Vegas offered her $30,000 to come down for its big opening and play hostess for the event.

"Of course I wouldn't do it," she says, "and I refused them, period.

"Besides," she adds, I have a prior appointment for that day."

Instead of the $30,000 she could have had from the hotel, she's talking free to a ladies' luncheon at the U. S. Chamber of Commerce on her travels in Russia.

A LARGE SECRET meeting of a hush-hush interagency committee was going on the other day behind locked doors at the Commerce Department. Top policy was being formulated on the stockpiling of strategic materials, and a member of the cabinet was conducting the session.

At a tense moment a messenger hurried in and handed the chairman a note. He studied it for a moment and then said:

"I have an important message which I think will interest all of you. The Senators are leading the Orioles 10 to 4 in the eighth inning."

GEORGE M. HUMPHREY, Treasury Secretary, had a tough time getting out of town the other day.

He decided to fly down to Georgia for a long holiday weekend at his farm. But shortly after his plane took off at 10 a. m., it developed engine trouble and had to limp back to Washington.

Humphrey and the other passengers were assured they would be off again soon. Over an hour later they were told it would be necessary to wait until 1:30 p. m. And after another 60 minutes it was announced the plane couldn't be repaired. The next flight was scheduled for 5:37 p. m.

So Humphrey high-tailed it back to his office and worked the rest of the afternoon, although he had come in at the crack of dawn that morning to clean up his desk.

AT DEFENSE SECRETARY Charles Wilson's recent press conference reporters were protesting his new edit that the only news to be released henceforth had to be of a "constructive" nature.

"Doesn't that mean you're trying to be editor for all of us?" he was asked.

He admitted he didn't have a clear definition for "constructive" but said he would leave it up to his assistant secretary, Robert Ross, to decide what to hand out to the press.

Later it was learned that Ross' journalistic background consists of having been press agent for a sporting goods store. And the following query was handed to Wilson's office by reporters:

"Can we use as a guide that what is constructive for General Motors is constructive for the Pentagon?"

YOU CAN'T FOOL a woman about her cup of coffee. Pert Rep. Coya Knutson (D., Minn.) recently trotted over to a reception at the Dominican embassy in honor of members of the House Agriculture Committee on which she serves.

"The food tasted good and was attractively arranged," she reported. "But," added Coya not too coyly, "The coffee tasted like something you take only for a bad cold."

AT A RECENT Democratic powwow a speaker said that the party should consider itself in the atomic age.

"And that's in contrast to the Republican party which is in the metallic age," said Sen. Robert S. Kerr (D-Okla.). "They have silver in their hair, gold in their teeth, and lead in their pants."

THE BIGGEST KICK of all for Harry Truman during his visit here was a secret session carrying the code name "faculty meeting." This was an old-fashioned, bourbon-moistened, card-playing shivaree which Truman dearly loves.

It was held at the home of his former speech writer, Clark Clifford. It included a couple of senators, Les Biffle, former secretary of the Senate, and George Allen, the former RFC chairman and also Ike's buddy. General Harry Vaughan, Truman's crony and military aide, was conspicuous by his absence at the session, however.

MOVING INCOME TAX day back to April 15 dealt a low blow to the town's catering business and party trade generally. In the past the end of Lent launched an avalanche of entertaining, and the catering business hit its peak. With everyone's income tax due at the height of the post-Lenten season, however, it has reduced partying about 25 per cent, the caterers wail.

Twenty and Ten Years Ago

April 30, 1935—The Kingston Choristers, with Harry P. Dodge conducting, sang the oratorio, "Elijah" in the Fair Street Reformed Church.

The Central Businessmen's Association opposed a grade separation proposal at the Broadway railroad crossing that would bring the street under the railroad.

Doctors Charles E. and M. Elizabeth Parsons bought the Charles B. Deyo property at Fair street and Maiden Lane.

April 30, 1945—State police were investigating a burglary at the West Hurley railroad station where a typewriter, bicycle and express packages were reported missing.

County Attorney Frederick H. Stang and Attorney Frank Campochiaro, formerly at 280 Wall street, established a law office at 259 Fair street, the Ruzzo building.

The city engineer's office reported an April rainfall of 4.15 inches.

Two railroad gondola cars were filled with tin cans collected here in a salvage drive.

Exam for Academies

The Civil Service Commission will soon conduct a preliminary examination for candidates interested in designation to the U. S. Military, Naval and Air Force academies in 1956, it has announced by Congressman J. E. Wharton. In order for the applicant to be considered for a nomination, it will be necessary that he immediately address his request to Congressman J. E. Wharton, new House office building, Washington, D. C., so that formal application will be on file in that office before May 10.

Conservation Theme Observed by Pack 130

Saugerties, April 30 — Cub Scout Foresters, the cub scouting theme for April was observed at the regular meeting of Pack 130, sponsored by the Saugerties Memorial Post, Veterans of Foreign Wars and held in the VFW Hall Tuesday.

Robert G. Ohlman, district game manager of the Poughkeepsie office of the State Conservation Department was the principal speaker at the large gathering of cubs, leaders, parents and scouters.

Mr. Ohlman presented color lantern slides and commentary on a series of forestation pictures and of particular interest to the cub scouts were the slides showing the actual planting of shrubs by scouts.

The program also included an informative talk by Carleton B. King, local landscaper and president of the Federated Sportsmen of Ulster County.

Mrs. Chester Schaff, heading the Ideas Committee for the May theme, Cub Scout Circus gave a short summary of the planning for the next pack meeting. It was announced that the Ideas Committee for the month of May would meet Tuesday, May 17 at 8 p. m., in the Ormandy home at 52 Montgomery street.

Warren Dunn was inducted into the Pack as a Bob Cat. Advancements include Charles Daley and Raymond Schaff who advanced to Wolf; Dennis Corkery to Bear; Howard France to Bear with one gold and two silver arrows having earned 30 electives; and Russell Shapiro to Lion.

Frank Tiano earned one gold and one silver arrow and Peter Nieffer was awarded one silver arrow. Cubmaster William Ormandy with the assistance of Hubert Legg, assistant cubmaster conducted presentations.

Bruce Fellows was inducted into the order of Webelos, the highest rank in Cub Scouting. Following the ceremony graduation ceremonies were conducted by Boy Scout Troop 32, Atonement Lutheran Church with Scoutmaster Kenneth Maclary and Junior Assistant Scoutmaster Richard Brackett in charge.

Bruce Fellows was then accepted into Troop 32 as a tenderfoot.

Four skits on the conservation theme were presented by the cub scouts under the direction of their den mothers, Mrs. William Ormandy, Mrs. Hubert Legg, Mrs. Eva May Peck, and Mrs. Henry Simmons.

Scouters in attendance in addition to Scoutmaster Maclary and Commissioner Cawein were District Commissioner Eugene H. Davis Neighborhood Commissioner Larry Spatz and Pack Committeeman Henry Luhrs.

Village Scout Troop Formed for Heights

Saugerties, April 30—A new Boy Scout troop officially known as Troop 39 was established this week when registration was approved by the Rip Van Winkle Council.

The C. A. Lynch Hose Company voted to sponsor the new unit at its April meeting and a committee consisting of Mandeville Diaz, institutional representative; Cornelius Lynch, chairman; and committeemen William Meiswinkle, Harry Whitaker and William Carle was organized.

The new unit was organized by Neighborhood Commissioner Larry Spatz who has assumed the capacity of scoutmaster of the troop, which will meet Monday at 7 p. m., in the C. A. Lynch Hose Company rooms.

The boys registered in Troop 39 are George Newkirk, junior assistant scoutmaster; Hiland Newkirk, senior patrol leader, and temporary patrol leader of the Eagle Patrol with Robert Wolven as assistant; Danny Legg, patrol leader of the Buffalo Patrol with Philip Shooski as assistant; Sidney Mills, bugler; Bruce Meiswinkle, quartermaster; Charles DuBois, flag custodian; Ronnie Newkirk and Russell Talmadge, room orderlies. Danny Legg will be Troop Scribe.

CUTTING CAMPAIGN COSTS

Senator Thomas C. Hennings, Jr., of Missouri, is a persevering man. He hopes to get a law passed which will really restrict lavish campaign expenditures. Now no one is allowed to give more than $5,000 to one candidate or one committee, and no national committee may spend more than $3,000,000.

Barn doors are nothing compared to the holes that this law leaves. Nothing prevents a rich man from giving $5,000 apiece to a whole series of committees, which are organized only to receive money, or from having members of his family each give $5,000. Thus a man might spend $250,000 on a campaign, and keep well within the law. Also no record is made of expenditures in primaries, or committees backing a single candidate, or committees whose activities are confined to a single state. Consequently, though theoretically $3,000,000 is all that a party may spend in a national election, actually the multiplicity of local spending groups may bring the amount up to $15,000,000. There have been several campaigns in which all the evidence pointed to a generosity by campaign donors far in excess of $3,000,000.

Hennings would require primary expenses to be reported, and make local committees state their outlays. No committee would be allowed to spend anything unless authorized by a candidate in writing.

It is now 30 years since the Corrupt Practices Act was passed. Experience shows the necessity of tightening its restrictions. Otherwise our offices will, in the long run, go to the highest bidder.

Every industry has its problems. Manufacturers of perfume are no exception. They find that sales of perfumes are lagging badly. So they've decided to launch a campaign to make women smell-conscious again.

ITALY'S ETRUSCAN PAST

Italy, which rightly thinks much of its great past, is disturbed over the looting of Etruscan tombs. Countries with tombs containing valuable objects have always been afflicted by thieves. The great excitement, a generation ago, over finding King Tutenkhamen's tomb in Egypt was because this alone, of all the rediscovered royal graves, had not been found by robbers, and thus it revealed astonishing riches to the 20th century excavators. Probably Etruscan tombs also have been broken into for centuries, but lately cases have been especially frequent.

The Etruscans, whose origin is uncertain but thought to be Asia Minor, ruled over most of Italy for some centuries before the fifth B. C. Rome itself was conquered by them at one time. Etruscan art is skillful, rather gloomy, and modern in spirit. The language has come down in many inscriptions, and in one long mummy-wrapping found in Egypt, where apparently an Etruscan family had settled. Unfortunately all efforts to interpret it have failed.

Even today traces of Etruscan civilization can be found in Italy. They evidently were a remarkable people of whom historians would like to know more.

A new gadget hasn't received nearly the attention it deserves. And if anything ever deserved public acclaim, certainly it's the roll stabilizers recently tried out successfully on the Queen Elizabeth. These stabilizers, which, according to the captain, allowed the liner to remain "steady as a rock" through a mid-Atlantic storm, seem to be a real boon. If they're as good as they sound from the captain's description, they could end the curse of seasickness.

A SPECIAL AWARD

President Eisenhower has asked Congress to establish a medal for distinguished civilian achievement. He wants the first recipient of the medal to be Dr. Jonas Salk, developer of the new polio vaccine.

Most European countries have a system for paying homage to citizens who make important contributions. In this country, although decorations have been awarded for valor in war since our earliest history, no such civilian award exists.

The president's idea is a sound one. Honoring civilian heroes is a way of expressing the gratitude of the nation to a citizen who gives largely of his strength and devotion. The virtues of citizenship necessary to the winning of such an award are not so common that they do not deserve special notice.

'These Days'

By GEORGE SOKOLSKY

IS THIS PEACE?

Back in the second century B.C. lived a Chinese Emperor, Wen Ti, who achieved that rank despite illegitimacy. During his reign, he had troubles with the Huns, who in time left his country to its devices and marched toward Europe where their conquests were many until they settled down and became civilized.

Treaties had been signed between the Sons of Han, who we call Chinese, and the barbarians of many tribes dividing the world at the Long Wall, the barbarians agreeing to stay north of the Wall, the Sons of Han south of it and they would coexist. Then came wicked men who advised the Huns to violate the treaties, to cross the Wall, to invade the rich lands to the south.

It was then that Wen Ti (179-157 B.C.) wrote a letter to the captain of a barbarian horde expressing his views. He said:

". . . Breaches of moral obligation and a treaty have occurred. There has been forgetfulness of family ties; and the tranquility of suzerain and vassal is at an end. This, however, belongs to the past. Your letter says, 'The two States had become friendly; their rulers friends. The tramp of armies had been stilled for more peaceful occupations, and great joy had come upon successive generations at the new order of things.' We truly rejoice over these words. Let us then tread together this path of wisdom in due compassion for the peoples committed to our charge. Let us make a fresh start. Let us secure quiet to the aged; and to the young, opportunity to grow up, and, without risk of harm, to complete their allotted span."

Now these were nice words, extraordinarily nice words, but fighting continued for many centuries, even until the present. Further Wen Ti wrote:

". . . Heaven, it is said, covers no one in particular; and Earth is the common resting-place of all men. Let us then dismiss these trifling grievances, and tread the broader path. Let us forget bygone troubles in a sincere desire to cement an enduring friendship, that our peoples may live like the children of a single family, while the blessings of peace and immunity from evil extend even to the fishes of the sea, to the fowls of the air, and to all creeping things. Unresting forever is the course of Truth. Therefore let us obliterate the past. We will take no count of deserters or of injuries sustained. Do you take no count of those who have joined our banner."

When Chou En-lai issued his masterly propaganda blast at the United States over the past week-end, he was speaking for effect, much like the Emperor Wen Ti, who did not want peace as much as time, who was caught by the necessities of internal problems and sought to push aside, temporarily, the onrush of dreaded international relations.

Chou En-lai had looked forward to Bandung as a place to achieve a victory, such as he gained at Geneva, without fighting for it. He moved on Bandung a heroic figure. But he was among Asiatics who discount the strut of the new great. Nearly all these men are new great, the older ones having been dissipated by war and revolution. Among such men, Chou was but one of many, which must have been unpleasant indeed.

His pal throughout the Bandung Conference was the Hindu, Nehru, who cuts such a wide swath among Europeans and Americans who regard his affection of a Tolstoy-Gandhi pacifism as wonderful. Again, among Asiatics, what Nehru had to say was old-hat and a bit tiresome because they had heard it often and were not a little bored by its futility. He backed the Communists to the hilt, which did not please or serve many of the others, particularly the Arabs who have other ideas and such countries as the Philippines and Pakistan who do not want to be taken over.

So, Nehru and Chou, who had hoped to establish an Asiatic-African leadership, only bumped their heads against a stonewall and came away sulking. It was then that Chou En-lai offered the United States peace on unacceptable terms—an offer made to hide his chagrin at his failure at Bandung. And for Chou it was a failure, for he barely escaped a censure of the Kremlin, which, had it passed, might have meant his political if not his physical finish.

That Body of Yours

By JAMES W. BARTON, M.D.

HAMMERTOES

The number of men rejected by the armed forces because of hammertoes was unexpectedly large. The presence of hammertoes makes the matter of long marches out of the question because of pain that occurs.

What is meant by hammertoes? It means that the toes, usually the one next to the big toe, but often some of the others, are bent upwards at the first joint and cannot be straightened down flat in line with the others. This bent condition has lasted so long that the joint is permanently stiff and comes against the shoe with the result that usually it is capped with a well-developed corn or callous.

What has caused this condition? Ill-fitting shoes, usually too small in size for the foot. Thus the toes are cramped up and finally the joint becomes permanently flexed or bent.

Anyone can avoid this condition by wearing proper-fitting shoes. Suppose your toes are bent, but by pressure you find that you can straighten them down flat. Now is the time to get busy. First, secure good shoes with wide space for your toes. Then get a flat short piece of wood about as wide and as long as your toe. Bind your toe down to this with some ordinary adhesive tape. This should bring the joint straight and the toe in line with the others. This tape should be removed every few days, a little talcum or dusting powder put on the toe, and then a new piece of tape applied.

Suppose your toe is permanently bent in position? In these cases simple surgery can be used. The surgeon simply clips a piece of each bone forming the joint and allows the toe to get flat on the ground.

To avoid this painful condition from developing, make sure your own and your children's shoes allow the toes plenty of room to lie out flat. A correct shoe should have the following features: (a) inner sides of soles should be in a straight line to end of big toe; (b) a full ground toe to allow proper spread of toes, (c) heel should be narrow to grasp heel bone and hold it in position, (d) the shank between the sole and heel should not be broader than width of foot and should be moulded to form a definite arch in the shoe and should be stiff and not flexible to hold the correct balance, and (e) the inner side of sole and heel should be slightly higher than the outer side, which will help maintain the natural tendency of the foot to form a claw.

You cannot go far on painful feet. They are very important to your everyday living and will repay the care you give them.

Washington News Notebook

Washington (NEA) — "Hostess with the mostess" Perle Mesta has turned down an offer which would have jeopardized her amateur standing as a party thrower.

A plus new gambling casino in Las Vegas offered her $30,000 to come down for its big opening and play hostess for the event.

"Of course I wouldn't do it," she says, "and I refused them, period.

"Besides," she adds, I have a prior appointment for that day."

Instead of the $30,000 she could have had from the hotel, she's talking free to a ladies' luncheon at the U. S. Chamber of Commerce on her travels in Russia.

A LARGE SECRET meeting of a hush-hush interagency committee was going on the other day behind locked doors at the Commerce Department. Top policy was being formulated on the stockpiling of strategic materials, and a member of the cabinet was conducting the session.

At a tense moment a messenger hurried in and handed the chairman a note. He studied it for a moment and then said:

"I have an important message which I think will interest all of you. The Senators are leading the Orioles 10 to 4 in the eighth inning."

GEORGE M. HUMPHREY, Treasury Secretary, had a tough time getting out of town the other day.

He decided to fly down to Georgia for a long holiday weekend at his farm. But shortly after his plane took off at 10 a. m., it developed engine trouble and had to limp back to Washington.

Humphrey and the other passengers were assured they would be off again soon. Over an hour later they were told it would be necessary to wait until 1:30 p. m. And after another 60 minutes it was announced the plane couldn't be repaired. The next flight was scheduled for 5:37 p. m.

So Humphrey high-tailed it back to his office and worked the rest of the afternoon, although he had come in at the crack of dawn that morning to clean up his desk.

AT DEFENSE SECRETARY Charles Wilson's recent press conference reporters were protesting his new edit that the only news to be released henceforth had to be of a "constructive" nature.

"Doesn't that mean you're trying to be editor for all of us?" he was asked.

He admitted he didn't have a clear definition for "constructive" but said he would leave it up to his assistant secretary, Robert Ross, to decide what to hand out to the press.

Later it was learned that Ross' journalistic background consists of having been press agent for a sporting goods store. And the following query was handed to Wilson's office by reporters:

"Can we use as a guide that what is constructive for General Motors is constructive for the Pentagon?"

YOU CAN'T FOOL a woman about her cup of coffee. Pert Rep. Coya Knutson (D., Minn.) recently trotted over to a reception at the Dominican embassy in honor of members of the House Agriculture Committee on which she serves.

"The food tasted good and was attractively arranged," she reported. "But," added Coya not too coyly, "The coffee tasted like something you take only for a bad cold."

AT A RECENT Democratic powwow a speaker said that the party should consider itself in the atomic age.

"And that's in contrast to the Republican party which is in the metallic age," said Sen. Robert S. Kerr (D-Okla.). "They have silver in their hair, gold in their teeth, and lead in their pants."

THE BIGGEST KICK of all for Harry Truman during his visit here was a secret session carrying the code name "faculty meeting." This was an old-fashioned, bourbon-moistened, card-playing shivaree which Truman dearly loves.

It was held at the home of his former speech writer, Clark Clifford. It included a couple of senators, Les Biffle, former secretary of the Senate, and George Allen, the former RFC chairman and also Ike's buddy. General Harry Vaughan, Truman's crony and military aide, was conspicuous by his absence at the session, however.

MOVING INCOME TAX day back to April 15 dealt a low blow to the town's catering business and party trade generally. In the past the end of Lent launched an avalanche of entertaining, and the catering business hit its peak. With everyone's income tax due at the height of the post-Lenten season, however, it has reduced partying about 25 per cent, the caterers wail.

Twenty and Ten Years Ago

April 30, 1935—The Kingston Choristers, with Harry P. Dodge conducting, sang the oratorio, "Elijah" in the Fair Street Reformed Church.

The Central Businessmen's Association opposed a grade separation proposal at the Broadway railroad crossing that would bring the street under the railroad.

Doctors Charles E. and M. Elizabeth Parsons bought the Charles B. Deyo property at Fair street and Maiden Lane.

April 30, 1945—State police were investigating a burglary at the West Hurley railroad station where a typewriter, bicycle and express packages were reported missing.

County Attorney Frederick H. Stang and Attorney Frank Campochiaro, formerly at 280 Wall street, established a law office at 259 Fair street, the Ruzzo building.

The city engineer's office reported an April rainfall of 4.15 inches.

Two railroad gondola cars were filled with tin cans collected here in a salvage drive.

Conservation Theme Observed by Pack 130

Saugerties, April 30 — Cub Scout Foresters, the cub scouting theme for April was observed at the regular meeting of Pack 130, sponsored by the Saugerties Memorial Post, Veterans of Foreign Wars and held in the VFW Hall Tuesday.

Robert G. Ohlman, district game manager of the Poughkeepsie office of the State Conservation Department was the principal speaker at the large gathering of cubs, leaders, parents and scouters.

Mr. Ohlman presented color lantern slides and commentary on a series of forestation pictures and of particular interest to the cub scouts were the slides showing the actual planting of shrubs by scouts.

The program also included an informative talk by Carleton B. King, local landscaper and president of the Federated Sportsmen of Ulster County.

Mrs. Chester Schaff, heading the Ideas Committee for the May theme, Cub Scout Circus gave a short summary of the planning for the next pack meeting. It was announced that the Ideas Committee for the month of May would meet Tuesday, May 17 at 8 p. m., in the Ormandy home at 52 Montgomery street.

Warren Dunn was inducted into the Pack as a Bob Cat. Advancements include Charles Daley and Raymond Schaff who advanced to Wolf; Dennis Corkery to Bear; Howard France to Bear with one gold and two silver arrows having earned 30 electives; and Russell Shapiro to Lion.

Frank Tiano earned one gold and one silver arrow and Peter Nieffer was awarded one silver arrow. Cubmaster William Ormandy with the assistance of Hubert Legg, assistant cubmaster conducted presentations.

Bruce Fellows was inducted into the order of Webelos, the highest rank in Cub Scouting. Following the ceremony graduation ceremonies were conducted by Boy Scout Troop 32, Atonement Lutheran Church with Scoutmaster Kenneth Maclary and Junior Assistant Scoutmaster Richard Brackett in charge.

Bruce Fellows was then accepted into Troop 32 as a tenderfoot.

Four skits on the conservation theme were presented by the cub scouts under the direction of their den mothers, Mrs. William Ormandy, Mrs. Hubert Legg, Mrs. Eva May Peck, and Mrs. Henry Simmons.

Scouters in attendance in addition to Scoutmaster Maclary and Commissioner Cawein were District Commissioner Eugene H. Davis Neighborhood Commissioner Larry Spatz and Pack Committeeman Henry Luhrs.

Mexico to Be Center For World Scouts, Says Miss Ethel Rusk

"Our Cabana, now being constructed near Cuernavaca, Mexica, the second World Center for Girl Scouts and Girl Guides of the World Association will be a powerful link in cementing international understanding and friendsihp among girls of the Americas," said Miss Ethel Rusk, assistant director of the World Bureau of the World Association of Girl Guides and Girl Scouts. She spoke at the annual spring dinner meeting of the Ulster County Council of Girl Scouts, Inc., held in the Crystal Room of the Governor Clinton Hotel, Monday evening.

The two-fold purpose of the World Association is the promotion of the fundamental principles of Scouting within the frontiers as well as beyond. Its primary aim is to develop Girl Scouting in all countries of the world.

"The broad voluntary, non-political aims of Girl Guiding and Girl Scouting are not easy to obtain in all countries," Miss Rusk said.

"I THINK Girl Guiding and Girl Scouting is based upon the power of the fourth law, A Girl Scout is a friend and a sister to all", Miss Rusk said. A dramatic example of this power cited by Miss Rusk was the unification in three years of the South American countries in the Andes region to become a member of the World Association.

"Knocking down barriers, building friendships, and having faith in children," said Miss Rusk, "has wrought miracles in many places. A truly wonderful achievement is in war-torn Israel."

KOREA WAS CITED by Miss Rusk as another country capturing the spirit of Scouting. Touching evidence of this was shown when Korean Girl Scouts visited American troops 'at the front' during the bitter cold of wintertime to express their appreciation during the Christmas season. "If we, as adults, have helped one girl to become a better citizen or one small Brownie to become a happier child," emphasized Miss Rusk, "we have made some small contribution toward world peace."

Adult and Senior Scouts representing 12 communities within Ulster county attended the dinner preceding Miss Rusk's talk. Mrs. David Ennis, program chairman, presided. Community singing during the dinner was directed by Mrs. Robert Stedge, supervisor of music within the Kingston public schools, accompanied by Mrs. Richard Stillings.

Formal presentation of the colors was by Troops 63 and 71, assisted by Lorraine Etienne, Senior Scout, under the direction of Mrs. Frank Graney. "The Hudson Valley, Our Heritage," was presented by Ruth Heidgerd assisted by Jane Doyle, Senior Scouts, of New Paltz. Participating in the program following were Carolyn Stark, of New Paltz, Carol Rylance, of this city, the Kingston Girl Scout Choralaires and the New Paltz Senior Troop dance group.

THE ANNUAL business meeting of the Council followed with Mrs. Donovan Buehring, president, presiding. Present registration figures indicate there are 1414 girl members and 400 adult volunteers. Nine of the 18 troops have been organized during the past year. Three of this number are Senior troops, the result of the Council reorganization of the Senior program throughout the county.

During the annual elections, the following Adult Scouts were elected to membership on the board of directors: Mrs. Ralph Spoor, of Ellenville, training chairman; Mrs. Charles King, Woodstock, public relations chairman; and Mr. Henry Page, Woodstock, camp chairman.

MEMBERS ALSO elected to the membership - nominating committee of the Council were: Mrs. Bert Connaughton, Woodstock and Mrs. Jack Erman, New Paltz.

Members of the board previously elected by the board of directors to fill the vacancies occurring during the past season ratified by the group attending were: Mrs. Buehring, president; Mrs. David Ennis, first vice-president; and Mrs. Daniel VanWagenen, membership-nominating chairman.

Two Sailors Injured

New Canaan, Conn., April 30 (AP)—Two hitch-hiking sailors from the USS Raymond, a destroyer escort, were injured last night when the car in which they were riding mowed down two small trees on the Merritt Parkway here. Herbert E. Sutler, 26, of Staten Island, N. Y., was hospitalized and is in "fairly good" condition today. Walter Faber, 20, of Philadelphia, Pa., was treated for an ankle injury and discharged.

Reports Pigeons Stolen

Mrs. Hattie Mason of 170 South Wall street reported to city police about 5 p. m. yesterday that someone had removed a lock from a shed on the property and stolen several bluish-gray pigeons. She used the enclosure for chickens and pigeons. Mrs. Mason said the locked clasp had not been tampered with. The person responsible for the theft entered through a cemetery road adjoining the property, she said.

Car Damage Reported

Clifford Van Kleeck of 116 Hooker street reported to city police about 7:30 p. m. yesterday that his 1947 sedan, parked during the day on Derrenbacher street near the Cozy Tavern, had been damaged. He said he parked the car there about 6:45 a. m. and when he returned at 6:30 p. m. he noted that the left rear fender and bumper had been damaged. The complainant also noted children's foot marks on the hood. He said apparently the children had been after a plastic bug-catcher attached to the hood. The bug-catcher was broken, he reported.

Several Wild 'Cousins' Of Tomato Imported

Several wild "cousins" of the tomato have been introduced from South America, with the hope of developing disease resistance, according to the department of agriculture.

Breeders working with the wild species, collected 15 years ago, have found germ plasm in them with resistance to most of the major tomato diseases.

The wild species are horticulturally inferior and present the plant breeder with a complex problem of introducing only one or more desirable characters from the wild plants into horticulturally superior domestic ones.

Millions for Research

American lumber manufacturers spend an estimated five million dollars every year for research and development of better quality lumber products and new uses for wood.

When Doors Stick

Most doors that stick do so because the hinges are loose. Before taking drastic steps, try tightening the screws that hold the hinge to the door and door jamb.

Give Paint Brush Care After Using

Brushes which have been used in oil base paints or varnishes may be left suspended in linseed oil for a limited time, but the oil will gradually thicken and become difficult to remove. The safest method is to clean the brush at the end of each painting session. Any bristle brush can be readily cleaned, while it is still soft, with the proper thinner for the product in which it has been used. Use turpentine, followed by naphtha or mineral spirits, for oil base finishes such as paint, enamel or varnish. Use alcohol for shellac or alcohol stain.

Lacquer thinner is called for in the case of lacquers. Preferably it should be a lacquer thinner made by the same manufacturer who made the lacquer in which the brush was used. Use water for calcimine, emulsions and other water-thinned paints.

Nailing Flashing

When nailing loose flashing in place, always apply some elastic roofing cement under and around the nail head. This ensures against the possibilities of a leak around the nail.

More Farms Electrified

Brisk Fire Is Best For the Chimney

A large brisk wood fire in a fireplace is better for the chimney than a small smoky fire. Volatile resins, sap and gums, vaporized in burning wood, condense in a cold chimney and form creosote-like tars on the sides of the flue. These can ooze through masonry cracks and stain the chimney. A brisker fire will heat the flue enough to carry such tars off in the smoke.

Recruiter Points To Training Offered

"The finest technical training in the world is now offered young men and women entering the United States Air Force," according to Sergeant John J. Norton Jr., local air force recruiter. One of the 10 schools operated by the Technical Training Air Force, a new and important division of the Air Training Command, is located at Francis E. Warren Air Force Base. The base was named after the former governor and first United States Senator from Wyoming. The installation is two miles west of Cheyenne, Wyo., and is the training center for administrative specialists. Qualified men and women who are interested in learning more about the advantages of the U. S. Air Force are urged to contact Sgt. Norton at 259 Fair street.

Doorway Important

Architectural lines, a nice regard for color, and neatness of landscaping help to give an air of distinction to a house, but it is the doorway that gives it personality.

Avoid an Upset

In using a ladder in front of a door, lock the door first so it cannot be opened to upset the ladder when you are on it.

Don't Bend Lid

When you pry the lid off a paint can with a screwdriver, be careful not to bend the lid. You'll want it in good shape to seal the can afterward.

Watch the Wires

Use caution when painting around electric wires in your home. If bare wires are noted, it is well to notify the electric company or call in a private electrician.

'The Summer' Is Spacious, Attractive

Rooms	Eight
Bedrooms	Four
Closets	Eight
Cubage	
House	32,000 ft.
Garage	3,000 ft.
Dimensions	
House	47' x 29'
Overall	76'

Compact in appearance, "The Summer," presented today by the Home of the Week Plan Service, is actually a very spacious house — it contains seven rooms plus a laundry-utility room connecting the house proper and the garage.

While the house proper measures 47 by 29 feet, overall measurements are 76 feet. Thus, you'll need at least a 100-foot lot to build this house and attached garage. Cubage of the house is 32,000 feet; garage cubage is 3000 feet.

Actually any type of exterior finish can be used successfully on a home of this type. But, bricks — as used in the accompanying illustration — seem especially attractive. Multi-colored roofing and wood trim can also be used to good advantage.

Post Lantern

A well-cared-for lawn and simple landscaping will set off the architecture of the house. An extra decorative touch — such as the post lantern in the illustration—will add a distinctive note.

There's plenty of sleeping space in this house. There are three regular bedrooms which feature good cross ventilation. Each of these good-sized, well-lighted rooms also has ample closet storage space.

Should you need a fourth bedroom you can use the room designated as a bedroom or den for this purpose. This room can also be used as a guest room.

Storage Space

Throughout this attractive, one-story house there is a generous amount of storage space. All in all the house has eight closets including an extra large cedar closet.

The long hallway connecting all the rooms in the house is a feature that will especially appeal to many prospective home builders. This hallway provides easy access throughout the house — yet, you don't have to go through the living room to get from one part of the house to another.

Large and well lighted, the laundry utility room is bright and pleasant. A door provides ready access to the yard.

Basement

Since the laundry is planned as a part of the regular house floor plan, only the heating equipment must be installed in the basement. This should be placed under the living room.

Blueprints Available

Complete plans and specifications for this house and all other "Home of the Week" designs are available at moderate cost.

For a South Window

If you have a south window you will appreciate the sparkle of color you will get early in the spring or late winter from a planting of a few snowdrops where they can be seen.

Snip the Evergreens

Snipping off the ends of the new growth made by evergreens will encourage a dense surface growth. Use hand clippers for this job and avoid giving the plants unnatural shapes.

When to Paint Radiators

Radiators and heating pipes should be painted when the metal is warm — not hot or cold. This prevents the paint from cracking and peeling.

Peat Moss Aids Dry Manure

Dehydrated cow manure frequently is indicated as a substitute for well-rotted manure because the latter is practically unobtainable except in favored sections. Yet these two materials are widely different in several ways.

Both provide organic food to the plants and team up with beneficial bacteria which in the dried product are inactive until they come in contact with moisture. Well-rotted manure however, also provides organic matter which will in time turn into humus. It is the straw used for bedding that provides this factor.

The lack of organic bulk in the dry product can easily be remedied by mixing it with peat moss or sedge peat. This mixture kept outdoors where rain will keep it moist will soon be permeated by millions of bacteria which had their origin in the manure. If mixed liberally with the soil in the garden beds a decided improvement will soon be seen.

It also has high value for top-dressing the lawn. The application is best deferred until after the first mowing. Spread the material evenly over the area and work it between the plants with the lawn rake so that the tips of grass blades will not be covered by it. They need light.

Caps for Fence Posts

Wood fence posts will last a good deal longer if the tops are covered with a metal cap. This prevents water being absorbed into the wood. If you don't like the idea of the metal cap, then make the tops of the post pointed.

Tools for Beginners

The beginner's tool kit should include a brace and four bits, 3-16 to an inch in size, and later an expansion bit.

Protects Window Sills

If you'd like your window sills to stay in better condition, rub some good floor wax into them next time they are refinished.

Keep Kitchen Cheerful

Paint the walls and woodwork of the kitchen a cheerful color that reflects rather than absorbs the light. Many times it is only a poor choice in the color of the paint that makes the kitchen gloomy.

For a Porch Floor

If the floor of your porch needs renewing, you'll find that porch-and-deck enamel will give you a durable and attractive finish.

Stoves Still Common

Forty-seven per cent of the dwellings in the United States are still heated by stoves.

County Bond Sale Reported Higher

First quarter sales of Series E and H Savings Bonds in Ulster county were $367,800, up $78,900 or 27.3 per cent over sales for the like period a year ago, William F. Edelmuth, chairman of the Ulster County Savings Bonds Committee, reported today.

Sales of E and H bonds throughout New York state amouted to $149,662,000 for the first three months this year, a gain of $13,327,000 over sales for the same period a year ago.

"Increasing help from companies in encouraging employe participation in the payroll savings plan and the cooperation of banks and investment houses in support of the bond program are responsible for the continuing upward trend in bond sales," Mr. Edelmuth said. "We hope that such support will help us reach our national goal of $5.5 billion for 1955."

Personal Finance Will Change Name

George M. Carpenter, manager of Personal Finance Co., 319 Wall street, announced today that effective May 2 the company will be known as the Beneficial Finance Co. of New York, Inc.

Carpenter explained that the change in name will in no way effect the present personnel of the office. "Our people welcome this change," he said.

"It is with some regret," Mr. Carpenter said, "that we honorably retire a name that has been well-known in this community more than 22 years. However, our new name, which, incidentally, is the name of our parent corporation, more fully describes the many services the corporation offers in addition to making personal loans."

Following a meeting of the Ladies' Auxiliary of the Tillson Volunteer Fire Company, it was announced that plans are being made for a combination birthday party and strawberry festival to be held early in June.

First aid classes will continue weekly at the fire hall Monday from 7:30 to 9:30 p. m. New members are welcome to join.

Indian elephants stand 3 feet high at birth and grow to 8 to 10 feet.

Plaintiff Gets $43.20 Verdict

A verdict for $43.20 for plaintiff Frank Saborese, doing business under the name and style of Saborese's Garage, was awarded in County court Thursday afternoon in an action for work, labor and services brought against Bonfiglio Masconi to recover for work done on a car. Defendant brought a counterclaim alleging the work had not been satisfactory but the counterclaim was dismissed. Peter Harp appeared for plaintiff and Philip Feinberg was attorney of record for defendant.

This was the last jury trial and all jurors were excused until June 6 when the term will be resumed. The Anna Bechtold first degree murder case has been set down for trial at that time and Judge Cashin announced he would also dispose of civil matter in June.

Also announced settled Thursday were two actions for personal injuries brought by Frank Misasi and another and Dominick F. Petramale against Ernest Perry and another. Schirmer and Carnright for plaintiffs and McGinn, Lyons and Lewis for defendant.

The May term of Supreme court will be convened Monday at 11 o'clock with Justice Hamm presiding. There are 360 cases on the calendar.

County Bond Sale Reported Higher

First quarter sales of Series E and H Savings Bonds in Ulster county were $367,800, up $78,900 or 27.3 per cent over sales for the like period a year ago, William F. Edelmuth, chairman of the Ulster County Savings Bonds Committee, reported today.

Sales of E and H bonds throughout New York state amouted to $149,662,000 for the first three months this year, a gain of $13,327,000 over sales for the same period a year ago.

"Increasing help from companies in encouraging employe participation in the payroll savings plan and the cooperation of banks and investment houses in support of the bond program are responsible for the continuing upward trend in bond sales," Mr. Edelmuth said. "We hope that such support will help us reach our national goal of $5.5 billion for 1955."

Personal Finance Will Change Name

George M. Carpenter, manager of Personal Finance Co., 319 Wall street, announced today that effective May 2 the company will be known as the Beneficial Finance Co. of New York, Inc.

Carpenter explained that the change in name will in no way effect the present personnel of the office. "Our people welcome this change," he said.

"It is with some regret," Mr. Carpenter said, "that we honorably retire a name that has been well-known in this community more than 22 years. However, our new name, which, incidentally, is the name of our parent corporation, more fully describes the many services the corporation offers in addition to making personal loans."

City Softball League Opens Season With Four Games Monday

18 Teams Ready for Long Grind

Secondary Openers Scheduled Tuesday

Bigger and better than ever, the 18-team City Softball League launches its 1955 season with four games Monday evening.

Four secondary openers are carded for Tuesday as two teams draw first-game byes.

The conference-type schedule of 1954 has been scrapped and the two divisions will operate as separate leagues—American and National — this season.

The schedule will consist of three rounds of play, or 24 games.

Monday's Schedule

Les Pommiers vs. Hercules at upper Hasbrouck.

Chez Emile vs. Turcams at lower Hasbrouck.

Cedar Rest vs. Destroyers at St. Mary's Diamond.

Wimpy's Grill vs. Perry's at Athletic Field.

Tuesday's Schedule

Subway Grill vs. Kaplan Bag at Block Park.

Krovans vs. Rapp's Express at lower Hasbrouck.

American Legion vs. Gene's Bar & Grill at St. Mary's.

Cherny's vs. Local 259 at Athletic Field.

Vejar Scores TKO Over Paolo Melis

Syracuse, April 30 (AP)—Chico Vejar sported a string of 10 straight victories today and former Italian welterweight champion Paolo Melis displayed a badly cut eye that may keep him out of action for a couple of months.

The New York collegian sliced Melis' left eye open in the first round of their scheduled 10-round bout last night. Further battering worsened the injury and referee Mark Conn ended hostilities at the end of four rounds. It was called a four round TKO.

Vejar, who weighed 149½ pounds to 148 for Melis, was ahead on the cards of the three officials when the end came. Dr. Charles Heck, the club physician, advised Conn to call a halt when Melis' eye bled badly after the fourth round.

A crowd of 1,500 paid $4,054 to watch the abbreviated television bout.

Detroit on the Prowl; Schantz Checks Yanks

By ED WILKS
(The Associated Press)

Pull up a chair and get yourself comfortable, pal.

What looked like the same old three-team race in the American League may get to be quite a brawl what with Bobby Shantz back on the beam and the Detroit Tigers on the prowl for the first time since 1950.

SHANTZ, the little fella who's had his arm in hock for two years, checked in again last night with the Kansas City Athletics, knocking the New York Yankees for a loop with a dandy three-hitter 6-0.

And with Shantz tripping the Yanks, the Detroits took control of the American League lead, rolling over Washington for their sixth straight victory 3-2.

WHAT'S MORE, Cleveland's defending champion Indians discovered it was a brand new season as their pitching again went sour and Baltimore grabbed its first victory at Municipal Stadium 5-2. The Orioles, who padded the Tribe's record 111 victories last season by winning only three from the champs, hadn't won in Cleveland since coming back into the league last season.

Chicago was the only touted pennant contender to win yesterday, taking second place as rookie Dick Donovan four-hit Boston 7-0.

In the National, with more and more daylight showing between first place Brooklyn and the rest of the pack, only two games were played. Philadelphia joined Milwaukee in second place 4½ games behind the Brooks by clubbing the Braves 13-4. And Cincinnati clipped Pittsburgh 5-0.

RAIN POSTPONED Chicago at Brooklyn and St. Louis at New York.

There were 33,471 fans in the stands—a Kansas City record—as Shantz stood the Yanks on their ears. The 5-6 southpaw granted the Bombers just three singles in pitching his first shutout since Sept. 19, 1952, when he blanked the Yankees 2-0. That was the year Bobby won 24 and was the AL's most valuable.

It was the first complete game since July 26, 1953, for Shantz, who sat out 1954 when his arm went dead in the season opener. He's 1-2 for the season.

The A's had a 4-0 lead for Shantz after two innings last night, swinging for a pair in each of the first two frames off rookie Johnny Kucks. Bill Wilson got two of the A's six hits, driving in two runs with a single and home run.

Only Andy Carey, Elston Howard and Gil McDougald solved Shantz—singling in the first, seventh and ninth.

DETROIT JAMMED across three runs in the sixth to dump Washington, as rookie Frank Lary spaced eight Senator hits. Ray Boone's leadoff homer, Lary's pop fly double and Harvey Kuenn's single wrapped it up for the Tigers, giving Detroit its longest victory string since '50 when the Bengals wound up second to the Yankees.

Al Kaline extended his personal streak, hitting safely in all 14 games played by Detroit. Mickey Vernon singled and homered for both Washington runs.

Donovan, a 24-year-old righthander who had previous trials with the Braves and Detroit, picked up his first major league victory against the Red Sox. He fanned six and walked but one while Chicago tagged four Boston hurlers for 11 hits. The White Sox slugged Willard Nixon for four runs and eight hits in less than four innings as the righthander suffered his first defeat in four decisions. Sherm Lollar and Nellie Fox homered for Chicago.

FOUR RUNS in the ninth won for Baltimore, shelling Mike Garcia out of the game and into his third defeat against one triumph. Garcia, 19-8 last season, had no-hit the Orioles until the sixth, when three singles scored a run. Gene Woodling's leadoff double and four singles broke it up in the ninth.

The Phils jumped all over Warren Spahn, Ray Crone and Ernie Johnson for six runs in the fifth. Del Ennis got Herm Wehmeier off to a 2-0 lead in the first with a home run and the veteran righthander took it from there, allowing only four hits. One was a solo homer by Bobby Thomson.

The game was called because of rain with the Phils at bat in the 8th.

Rain and the schedule-maker combined to place severe limitations on yesterday's area baseball schedule. Of the two games scheduled, both in the UCLA, only one was played, and the result mired Wallkill deeper in the standing as Onteora won an 8-3 decision.

The hits were fairly-well distributed as Onteora collected nine off Wright, while Jensen allowed only seven. Striking out four men apiece, Jensen gave up three walks, while Wright permitted four bases on balls.

Hornbeck cracked a double for Onteora, the only extra-base hit of the game. He went "2 for 4" in the contest, which was halted after six innings of play because of rain.

Williams collected two hits in three times at bat to lead the abbreviated activities, as Onteora clustered a brace of runs in the fourth, fifth and sixth frames.

Elks National Youth Day Program Slated Sunday at Stadium

The gala Kingston observance of Elks National Youth Day gets under way with a bicycle jamboree Sunday at 3 p. m., at Dietz Stadium.

Field events will augment the bicycle races and a large number of valuable prizes will be awarded to the winners, chairman Frank Nadal said. Prizes will also be awarded to spectators.

Among the prizes for the youngsters are a bicycle, top grade baseball gloves, baseball bats, tennis rackets, dolls, gift certificates and other prizes.

THE ELKS YOUTH ACTIVITY Committee is being assisted by Andy Murphy 3rd, superintendent of the Recreation Department.

The public is cordially invited by Kingston Lodge No. 550 of the Elks. The event marks the first time Kingston has joined in the national Elks program which is designed to counteract May Day of Communist Russia. Many organizations and individuals in Kingston, realizing the value of such a program, have cooperated wholeheartedly with the committee.

TENTATIVE SCHEDULE for the day for the events which are open to boys and girls from 4 to 14 years follows:

3:05 p.m.—National Anthem; 3:10—Introduction of Exalted Ruler, Kingston Lodge No. 550 (BPOE).. 3:15—decorated bicycle parade; 3:30—100-yard dash, 3 wheelers, boys and girls under 5; 3:40—100 yard dash, 2 wheelers, girls 6 to 8; 3:50—100-yard dash, 2 wheelers, girls 9 to 10; 4 p. m.—100 yard dash, 2 wheelers, boys 9 to 11; 4:05—440 yard dash, 2 wheelers, girls 11 to 13; 4:15—100 yard slow race, 2 whelers, all ages.

Other events: 4:25—50 yard sac race, girls 6 to 8; 50 yard sac race, boys 6 to 8; 4:35—50 yard wheelbarrow race, boys 9 to 10; 4:50—100 yard dash, girls 11 to 13; 4:55—100 yard dash, boys 11 to 13; 5 p. m.—football throw, boys 14 to 15; 5:15—rolling pin throw, girls 14 to 15; 5:25—baseball accuracy throw, boys 13 to 15.

Bill Mohr Hits 617 In Nocando; Unloads 244 in Final Game

Bill Mohr had a rather fabulous evening in the Nocando circuit, blasting a 617 high triple, and framing a 244 in his third game, which highlighted last night's bowling activities.

Henry Secreto qualified as "Hammerin' Hank" in the Classic loop with a tremendous 602 triple. Jack Hartman fashioned a 595 in the Everybody's League with lines of 153-234-208.

JOAN KRUEGER led the distaff side, turning in a 544 for Capital Cleaners in the Women's Classic circuit.

The other "500" classics were turned in by R. Rafofalo, who led off with a 234-216-144 for a 594 pinnage. Harold Broskie rammed home a 586 on frames of 203-180-203. Joe Ausanio came up with a 563. H. Brooks knocked out a 568.

ELECTROL LEAGUE firing was highlighted by George Barringer's 557 on a lead 234 solo. Lou Petramale had a last frame 203, and Jim Markle shot a 200. Mike Milano blasted a 527 triple as Inspection rolled to a 2360 win over Turrets; Dispatch was 2408-2384 over Production Control, and Shipping defeated Tool Room, 2349-2204.

R. Smith fired a 555 triple in the Nocando, and A. Steigerwald did it with a 233 single. Other scores: D. Williams 517 triple, J. Hulsair 206 single. H. Ferguson 546 for all frames, and C. Buddenhagen 208 single; S. Turck 524, A. Van Gonsic 574.

Tony LaRocca fired a 595, while Whitey Crispell and D. Waltman turned in 588. Crispell sandwiched in a 235 single, Lou Secreto rolled 529 with a 182 single. Jake Chichelsky had himself a 538 night.

Jim Cameron's 529, Warren Wood's 505, Don Sickler's 592, and Chris Robinson's 532 took the other brass rings.

BOB MORRIS got a middle 213 and a 565 triple, while Bill Schabot rolled a 566 with a 211 lead-off game. Frank Bouck had a middle 204 in the Everybody's, and a 531 total for the night. The other good efforts were accredited to Allen Hoey with a 543, O. Felipe with a 554, John Sweeney, 540; Herbe Houghtaling 503; George Houghtaling 501; Howard Wood 512; Ted Hofbauer 562 with a first frame 215.

Del Pritchard completed the "500" circle with tripling in a 514.

B. Bailey shot a 551 in the Women's Classic, while Rose Schatzel and Elizabeth Egan had 509's, as Manhattan Bowling Balls dropped a 2444-2482 match to Capital Cleaners.

Charlotte Lapine had a last frame 199, and a 519 triple as Rowe's Shoes defeated Joe Epstein's. Tess Moss rolled a 502.

R. Wright's 520 triple, and L. Gersback's 223 solo were the standouts this week in the Rosendale News American League. E. Norton had 510 in the News National loop, while J. Fredericks fired a 206. K. Reynolds looped a 213 in the News American circuit.

Zaharias Leading Blossom-Rawls Open

Spartanburg, S. C., April 30 (AP)—The $5,000 Peach Blossom-Betsy Rawls Open Golf tournament moved into its third round here today with the veteran Babe Zaharias of Tampa, Fla., leading the field.

The Babe fired a one under par 70 yesterday to take the halfway lead with 142. Two strokes behind were Marilyn Smith of Wichita, Kan., and Betty Jameson of San Antonio, Tex., tied with 144.

Mrs. Zaharias, who carded a one-over par in Thursday's opening round to gain a four-way tie for first at the end of the first 18 holes, scored three birdies yesterday to pull ahead of the field.

• Flotsam and Jetsam:

Members of the Independent Bowling League appear to be in their annual stew about how to conduct the post-season championship rolloff. One side wants to contest it on total pins, the other by games. There is nothing in the ABC rule book to cover the situation but if the ABC is approached for a decision it will suggest that whatever system is used during the regular season be employed in rolloffs for titles. Littler Leading Champions Field

Las Vegas, Nev., April 30 (AP)—The third round bugaboo confronted California's Gene Littler today as he led the field of 20 professional golfers into the three-quarter stage of the $37,500 Tournament of Champions.

The 25-year-old sophomore in the pro ranks from Palm Springs held a three-stroke lead over his nearest rivals after putting together rounds of 69-71 for a 36-hole total of 140.

Tied at 143 were PGA champion Chick Harbert, who added a 74 to his first round 69, and Pete Cooper, a longshot from Birmingham, Mich., with 70-73.

Littler, a former national amateur champion, qualified for the Las Vegas tournament by winning not only the Los Angeles open but also the Phoenix open last winter.

Littler has had third round jinxes, however. He led after two rounds in the United States open last year and fell back with a 76 in the third round. He had a good chance to take the lead here in the third round in 1954 but another 76 set him out of the running.

Ellenville Rifle Club's 1997 Sets All-Time Village Record

Ellenville Rifle Club defeated Port Jervis, 1997 to 1974 in a Mid-Hudson Rifle League match at Ellenville as Mel Coniker and Don Wiseman each racked up 400 scores.

The score for the Ellenville team established a new club record. The total of 1997x133 is out of a possible 2000x200, and means that of the 200 shots fired by the five men only three missed the 10-ring and all but 67 were xs, or inner bulls-eyes. This is considered phenomenal shooting and the record is expected to stand for some time.

THE MID-HUDSON club was organized at Walden on May 17 and will include Ellenville, Port Jervis, Catskill, Highland Falls, Newburgh, Forbes-Albany and Millerton.

Dates and places for six matches were set as follows: May 8—Millerton; May 22—Catskill; June 12—Albany; June 26—Catskill; July 24—Ellenville; Aug. 14—Newburgh.

Results of the record-breaking match:

City Softball League Opens Season With Four Games Monday

18 Teams Ready for Long Grind

Secondary Openers Scheduled Tuesday

Bigger and better than ever, the 18-team City Softball League launches its 1955 season with four games Monday evening.

Four secondary openers are carded for Tuesday as two teams draw first-game byes.

The conference-type schedule of 1954 has been scrapped and the two divisions will operate as separate leagues—American and National — this season.

The schedule will consist of three rounds of play, or 24 games.

Monday's Schedule

Les Pommiers vs. Hercules at upper Hasbrouck.

Chez Emile vs. Turcams at lower Hasbrouck.

Cedar Rest vs. Destroyers at St. Mary's Diamond.

Wimpy's Grill vs. Perry's at Athletic Field.

Tuesday's Schedule

Subway Grill vs. Kaplan Bag at Block Park.

Krovans vs. Rapp's Express at lower Hasbrouck.

American Legion vs. Gene's Bar & Grill at St. Mary's.

Cherny's vs. Local 259 at Athletic Field.

Vejar Scores TKO Over Paolo Melis

Syracuse, April 30 (AP)—Chico Vejar sported a string of 10 straight victories today and former Italian welterweight champion Paolo Melis displayed a badly cut eye that may keep him out of action for a couple of months.

The New York collegian sliced Melis' left eye open in the first round of their scheduled 10-round bout last night. Further battering worsened the injury and referee Mark Conn ended hostilities at the end of four rounds. It was called a four round TKO.

Vejar, who weighed 149½ pounds to 148 for Melis, was ahead on the cards of the three officials when the end came. Dr. Charles Heck, the club physician, advised Conn to call a halt when Melis' eye bled badly after the fourth round.

A crowd of 1,500 paid $4,054 to watch the abbreviated television bout.

Detroit on the Prowl; Schantz Checks Yanks

By ED WILKS
(The Associated Press)

Pull up a chair and get yourself comfortable, pal.

What looked like the same old three-team race in the American League may get to be quite a brawl what with Bobby Shantz back on the beam and the Detroit Tigers on the prowl for the first time since 1950.

SHANTZ, the little fella who's had his arm in hock for two years, checked in again last night with the Kansas City Athletics, knocking the New York Yankees for a loop with a dandy three-hitter 6-0.

And with Shantz tripping the Yanks, the Detroits took control of the American League lead, rolling over Washington for their sixth straight victory 3-2.

WHAT'S MORE, Cleveland's defending champion Indians discovered it was a brand new season as their pitching again went sour and Baltimore grabbed its first victory at Municipal Stadium 5-2. The Orioles, who padded the Tribe's record 111 victories last season by winning only three from the champs, hadn't won in Cleveland since coming back into the league last season.

Chicago was the only touted pennant contender to win yesterday, taking second place as rookie Dick Donovan four-hit Boston 7-0.

In the National, with more and more daylight showing between first place Brooklyn and the rest of the pack, only two games were played. Philadelphia joined Milwaukee in second place 4½ games behind the Brooks by clubbing the Braves 13-4. And Cincinnati clipped Pittsburgh 5-0.

RAIN POSTPONED Chicago at Brooklyn and St. Louis at New York.

There were 33,471 fans in the stands—a Kansas City record—as Shantz stood the Yanks on their ears. The 5-6 southpaw granted the Bombers just three singles in pitching his first shutout since Sept. 19, 1952, when he blanked the Yankees 2-0. That was the year Bobby won 24 and was the AL's most valuable.

It was the first complete game since July 26, 1953, for Shantz, who sat out 1954 when his arm went dead in the season opener. He's 1-2 for the season.

The A's had a 4-0 lead for Shantz after two innings last night, swinging for a pair in each of the first two frames off rookie Johnny Kucks. Bill Wilson got two of the A's six hits, driving in two runs with a single and home run.

Only Andy Carey, Elston Howard and Gil McDougald solved Shantz—singling in the first, seventh and ninth.

DETROIT JAMMED across three runs in the sixth to dump Washington, as rookie Frank Lary spaced eight Senator hits. Ray Boone's leadoff homer, Lary's pop fly double and Harvey Kuenn's single wrapped it up for the Tigers, giving Detroit its longest victory string since '50 when the Bengals wound up second to the Yankees.

Al Kaline extended his personal streak, hitting safely in all 14 games played by Detroit. Mickey Vernon singled and homered for both Washington runs.

Donovan, a 24-year-old righthander who had previous trials with the Braves and Detroit, picked up his first major league victory against the Red Sox. He fanned six and walked but one while Chicago tagged four Boston hurlers for 11 hits. The White Sox slugged Willard Nixon for four runs and eight hits in less than four innings as the righthander suffered his first defeat in four decisions. Sherm Lollar and Nellie Fox homered for Chicago.

FOUR RUNS in the ninth won for Baltimore, shelling Mike Garcia out of the game and into his third defeat against one triumph. Garcia, 19-8 last season, had no-hit the Orioles until the sixth, when three singles scored a run. Gene Woodling's leadoff double and four singles broke it up in the ninth.

The Phils jumped all over Warren Spahn, Ray Crone and Ernie Johnson for six runs in the fifth. Del Ennis got Herm Wehmeier off to a 2-0 lead in the first with a home run and the veteran righthander took it from there, allowing only four hits. One was a solo homer by Bobby Thomson.

The game was called because of rain with the Phils at bat in the 8th.

Rain and the schedule-maker combined to place severe limitations on yesterday's area baseball schedule. Of the two games scheduled, both in the UCLA, only one was played, and the result mired Wallkill deeper in the standing as Onteora won an 8-3 decision.

The hits were fairly-well distributed as Onteora collected nine off Wright, while Jensen allowed only seven. Striking out four men apiece, Jensen gave up three walks, while Wright permitted four bases on balls.

Hornbeck cracked a double for Onteora, the only extra-base hit of the game. He went "2 for 4" in the contest, which was halted after six innings of play because of rain.

Williams collected two hits in three times at bat to lead the abbreviated activities, as Onteora clustered a brace of runs in the fourth, fifth and sixth frames.

Elks National Youth Day Program Slated Sunday at Stadium

The gala Kingston observance of Elks National Youth Day gets under way with a bicycle jamboree Sunday at 3 p. m., at Dietz Stadium.

Field events will augment the bicycle races and a large number of valuable prizes will be awarded to the winners, chairman Frank Nadal said. Prizes will also be awarded to spectators.

Among the prizes for the youngsters are a bicycle, top grade baseball gloves, baseball bats, tennis rackets, dolls, gift certificates and other prizes.

THE ELKS YOUTH ACTIVITY Committee is being assisted by Andy Murphy 3rd, superintendent of the Recreation Department.

The public is cordially invited by Kingston Lodge No. 550 of the Elks. The event marks the first time Kingston has joined in the national Elks program which is designed to counteract May Day of Communist Russia. Many organizations and individuals in Kingston, realizing the value of such a program, have cooperated wholeheartedly with the committee.

TENTATIVE SCHEDULE for the day for the events which are open to boys and girls from 4 to 14 years follows:

3:05 p.m.—National Anthem; 3:10—Introduction of Exalted Ruler, Kingston Lodge No. 550 (BPOE).. 3:15—decorated bicycle parade; 3:30—100-yard dash, 3 wheelers, boys and girls under 5; 3:40—100 yard dash, 2 wheelers, girls 6 to 8; 3:50—100-yard dash, 2 wheelers, girls 9 to 10; 4 p. m.—100 yard dash, 2 wheelers, boys 9 to 11; 4:05—440 yard dash, 2 wheelers, girls 11 to 13; 4:15—100 yard slow race, 2 whelers, all ages.

Other events: 4:25—50 yard sac race, girls 6 to 8; 50 yard sac race, boys 6 to 8; 4:35—50 yard wheelbarrow race, boys 9 to 10; 4:50—100 yard dash, girls 11 to 13; 4:55—100 yard dash, boys 11 to 13; 5 p. m.—football throw, boys 14 to 15; 5:15—rolling pin throw, girls 14 to 15; 5:25—baseball accuracy throw, boys 13 to 15.

5:30 p. m.—Finals in all events in which heats were run.

Ellenville Rifle Club's 1997 Sets All-Time Village Record

Ellenville Rifle Club defeated Port Jervis, 1997 to 1974 in a Mid-Hudson Rifle League match at Ellenville as Mel Coniker and Don Wiseman each racked up 400 scores.

The score for the Ellenville team established a new club record. The total of 1997x133 is out of a possible 2000x200, and means that of the 200 shots fired by the five men only three missed the 10-ring and all but 67 were xs, or inner bulls-eyes. This is considered phenomenal shooting and the record is expected to stand for some time.

THE MID-HUDSON club was organized at Walden on May 17 and will include Ellenville, Port Jervis, Catskill, Highland Falls, Newburgh, Forbes-Albany and Millerton.

Dates and places for six matches were set as follows: May 8—Millerton; May 22—Catskill; June 12—Albany; June 26—Catskill; July 24—Ellenville; Aug. 14—Newburgh.

Results of the record-breaking match:

Ellenville

Mel Coniker	400x30
Don Wiseman	400x24
Ben Miller	399x27
Dave Winer	399x26
Ray Getman	299x26
	1997x133

Port Jervis

J. W. Barnes, Jr.	400x31
Art Kunzel	400x24
Floyd Van Aken	395x27
J. W. Barnes, Sr.	391x21
Ernie Hardel	388x14
	1974x117

Also among the top scorers were: Morris Nissenbaum 398x26; Tony Mariano 392x16; Ralph Gilbert 391x18; Bob Feyh 388x13; Holger Anderson 364x10.

Bill Mohr Hits 617 In Nocando; Unloads 244 in Final Game

Bill Mohr had a rather fabulous evening in the Nocando circuit, blasting a 617 high triple, and framing a 244 in his third game, which highlighted last night's bowling activities.

Henry Secreto qualified as "Hammerin' Hank" in the Classic loop with a tremendous 602 triple. Jack Hartman fashioned a 595 in the Everybody's League with lines of 153-234-208.

JOAN KRUEGER led the distaff side, turning in a 544 for Capital Cleaners in the Women's Classic circuit.

The other "500" classics were turned in by R. Rafofalo, who led off with a 234-216-144 for a 594 pinnage. Harold Broskie rammed home a 586 on frames of 203-180-203. Joe Ausanio came up with a 563. H. Brooks knocked out a 568.

ELECTROL LEAGUE firing was highlighted by George Barringer's 557 on a lead 234 solo. Lou Petramale had a last frame 203, and Jim Markle shot a 200. Mike Milano blasted a 527 triple as Inspection rolled to a 2360 win over Turrets; Dispatch was 2408-2384 over Production Control, and Shipping defeated Tool Room, 2349-2204.

R. Smith fired a 555 triple in the Nocando, and A. Steigerwald did it with a 233 single. Other scores: D. Williams 517 triple, J. Hulsair 206 single. H. Ferguson 546 for all frames, and C. Buddenhagen 208 single; S. Turck 524, A. Van Gonsic 574.

Tony LaRocca fired a 595, while Whitey Crispell and D. Waltman turned in 588. Crispell sandwiched in a 235 single, Lou Secreto rolled 529 with a 182 single. Jake Chichelsky had himself a 538 night.

Jim Cameron's 529, Warren Wood's 505, Don Sickler's 592, and Chris Robinson's 532 took the other brass rings.

BOB MORRIS got a middle 213 and a 565 triple, while Bill Schabot rolled a 566 with a 211 lead-off game. Frank Bouck had a middle 204 in the Everybody's, and a 531 total for the night. The other good efforts were accredited to Allen Hoey with a 543, O. Felipe with a 554, John Sweeney, 540; Herbe Houghtaling 503; George Houghtaling 501; Howard Wood 512; Ted Hofbauer 562 with a first frame 215.

Del Pritchard completed the "500" circle with tripling in a 514.

B. Bailey shot a 551 in the Women's Classic, while Rose Schatzel and Elizabeth Egan had 509's, as Manhattan Bowling Balls dropped a 2444-2482 match to Capital Cleaners.

Charlotte Lapine had a last frame 199, and a 519 triple as Rowe's Shoes defeated Joe Epstein's. Tess Moss rolled a 502.

R. Wright's 520 triple, and L. Gersback's 223 solo were the standouts this week in the Rosendale News American League. E. Norton had 510 in the News National loop, while J. Fredericks fired a 206. K. Reynolds looped a 213 in the News American circuit.

Zaharias Leading Blossom-Rawls Open

Spartanburg, S. C., April 30 (AP)—The $5,000 Peach Blossom-Betsy Rawls Open Golf tournament moved into its third round here today with the veteran Babe Zaharias of Tampa, Fla., leading the field.

The Babe fired a one under par 70 yesterday to take the halfway lead with 142. Two strokes behind were Marilyn Smith of Wichita, Kan., and Betty Jameson of San Antonio, Tex., tied with 144.

Mrs. Zaharias, who carded a one-over par in Thursday's opening round to gain a four-way tie for first at the end of the first 18 holes, scored three birdies yesterday to pull ahead of the field.

Superintendent of Schools Arthur J. Laidlaw and former principal, Theron L. Culver, were honored with gifts at the recent meeting of the DUSO League Sports Council. Both are scheduled for retirement at the end of the current school semester and both gave many years of honorable service to DUSO League activities.

• Flotsam and Jetsam:

Members of the Independent Bowling League appear to be in their annual stew about how to conduct the post-season championship rolloff. One side wants to contest it on total pins, the other by games. There is nothing in the ABC rule book to cover the situation but if the ABC is approached for a decision it will suggest that whatever system is used during the regular season be employed in rolloffs for titles. Unless, of course, the by-laws of the league sets up a definite plan at the start of the season. Wilma Stephens has been elected president of the Pioneer Women's League for the 1955-56 season. Other officers are June Van Kleeck, vice-president; Midge Burger, secretary; Catherine Foertsch, treasurer; and Marianne Williams, sergeant-at-arms. . . . Murray Olderman says bat shyness is the inside word on the recent termination of a once-feared slugger's big league career. . . . Perturbing rumors persist about the domestic life of one of our boxing champs.

• Of Men and Mice:

Fishermen by the thousands are expected to take to the waters of the St. Lawrence river in the Thousand Island region on Sunday, May 1, as the season opens on the first game fish of the year, the big, wily Great Northern pike. . . . Boston Red Sox are claiming the strongest-armed outfield trio in the majors in Faye Throneberry, Jackie Jensen and Jim Piersall. . . . Charlie Grunenwald, who reports he doesn't wield stogies anymore, chides us for short-changing him in a recent "Tenpin Stars" roundup. We listed Eddie Marks leader of the league with 614, when all the time Charlie had 624 or thereabouts. So, sorry, please.

Rose Schatzel's 709 series is currently ninth in the national WIBC ratings. Leader in the country is Jennie Virktis of Grand Rapids with 737. Sylvia Wene, of Philadelphia, the women's national match game champion, boasts a 208 average for 54 games and Margaret Merrick of Columbus,, Ohio, ranks second with 201 for 54 sets. . . . Palm Beach round-robin golf tournament will be held at Deepdale Golf Club, Great Neck, L. I., June 1-5. . . . George Palmeteer says Dutchess area cage referees are mulling over plans to form their own board, in view of the fact that the Central Hudson Valley Board of Approved Basketball Officials is getting too bulky with much of the "power" on this side of the river.

Baseball oddity at Dietz Stadium Wednesday afternoon. Butch Heybruck, Arlington catcher, lined a "single" to right field but was thrown out at first base, Bob Maines to Joey Hoffman. Don Neff, Cardinal Farley Military Academy coach and prominent area referee, reports to Camp Quantico June 12 for two weeks of duty with the Marine Corps. He's a captain in the reserve. The best kid baseball in the world is now played in Puerto Rico, where the kids are out on every cow pasture from morn to night.

Littler Leading Champions Field

Las Vegas, Nev., April 30 (AP)—The third round bugaboo confronted California's Gene Littler today as he led the field of 20 professional golfers into the three-quarter stage of the $37,500 Tournament of Champions.

The 25-year-old sophomore in the pro ranks from Palm Springs held a three-stroke lead over his nearest rivals after putting together rounds of 69-71 for a 36-hole total of 140.

Tied at 143 were PGA champion Chick Harbert, who added a 74 to his first round 69, and Pete Cooper, a longshot from Birmingham, Mich., with 70-73.

Littler, a former national amateur champion, qualified for the Las Vegas tournament by winning not only the Los Angeles open but also the Phoenix open last winter.

Littler has had third round jinxes, however. He led after two rounds in the United States open last year and fell back with a 76 in the third round. He had a good chance to take the lead here in the third round in 1954 but another 76 set him out of the running.

Bearcat Easy Winner

Westbury, April 30 (AP)—Bear Cat, six-year-old chestnut horse, registered an easy three-length victory at Roosevelt Raceway last night in the featured Astoria Pace. Driven by Stanley Dancer, the favored Bear Cat returned $6.10, $3.50 and $2.70. Symbol Chance was third. Bear Cat was timed in 2:09 4/5 on the muddy track for his second victory in five starts this season.

Tackle Lou Groza of the Cleveland Browns has been a high scorer in the National Football League for nine years yet has tallied only one touchdown. His scores have come on field goals and points after touchdowns.

PROCLAMATION

THE PEOPLE OF THE STATE OF NEW YORK TO THE SHERIFF OF THE COUNTY OF ULSTER: GREETINGS:

Whereas, A Trial of Supreme Court and Jail Delivery is to be held in and for the County of Ulster, at the Court House in the City of Kingston, on Monday the Second of May, 1955.

We command you in pursuances of the Section 222-a of the Code of Criminal Procedure, in that case made and provided:

FIRST: That you summon the several persons who shall have been drawn in said County of Ulster, pursuant to law to serve as Grand Jurors and Trial Jurors at the said Court to appear thereat.

SECOND—That you bring before the said Court all prisoners being in the Jail of said County, together with all process and proceedings in any way concerning them in your hands as such Sheriff.

THIRD: That you make Proclamation, in the manner prescribed by Section 222-c of the Code of Criminal Procedure, notifying all persons bound to appear at the said Court by recognizance or otherwise, to appear thereat, and requiring all Justices of the Peace, Coroners and other Officers who have taken any recognizance for the appearance of any person at such Court, or who shall have taken any inquisition, or the examination of any prisoner or witness, to return such recognizances, inquisitions and examinations to the said Court at the opening thereof at the first day of its sitting.

WITNESS: Hon. Herbert D. Hamm, one of the Justices of the Supreme Court of the State of New York, at the Court House in the City of Kingston this fifth day of April, in the year One Thousand Nine Hundred Fifty-Five.

HOWARD C. ST. JOHN
District Attorney for the
County of Ulster

• • •

In pursuance of the above precept, I hereby make Proclamation that a term of Supreme Court of Ulster County and Jail deliverance will be held at the Court House in Kingston, in and for the County of Ulster the Second day of May, 1955, at eleven o'clock in the forenoon of that day, and all persons who will prosecute against persons confined in the Jail of said County are required to be then and there present, to proceed as may be just; and all persons bound to appear at the said Court by recognizance, or otherwise are required to appear thereat, and all Justices of the Peace, Coroners and other Officers who may have taken any recognizance for the appearance of any person at the said Court or who may have taken any inquisition or the examination of any prisoner or witness are required to return such recognizance, inquisition and examination on to the said Court at the opening thereof, at the first day of the sitting thereof, and to be then and there present with their rolls and records, indictments and remembrances to do those things which to their office pertain.

CLUETT SCHANTZ

One of the interesting hands, shown today, from the final match of this year's tournament for the Harold S. Vanderbilt Cup illustrates the importance of being at the table.

West opened the jack of spades against the very good contract of six no-trump. Declarer won in dummy with the king of spades and counted the following tricks: three spades, six diamonds, one heart, and one easily established club. The question was whether to try for the twelfth trick in hearts or in clubs.

At the second trick, declarer led a club from dummy. East played low, and South put up the king. West played low.

On paper, that's all you would know. At the table, South had to decide whether or not West might be holding off with the ace of clubs. West was an expert, as might be expected in the final round of a national tournament, and might very well play low instead of taking the first club trick. If so, South would try a heart finesse or a squeeze as his next play.

Incidentally, that's why South played the king of clubs rather than the queen. If South played the queen at the second trick of a slam contract he would advertise to all the world that he also held the king. If he played the king, however, there might be some doubt about who held the queen. If West had the ace, he might wonder whether or not to take it; and this wonder might be all the information that South needed.

When the hand was actually played, West seemed to have no problem on the first club trick. South therefore went back to dummy with a diamond and led another club towards his hand. East came up with the ace, of course, and South had his slam contract.

Made Plans for Death

St. Petersburg, Fla., April 30 (AP)—A woman who wrote a funeral home Tuesday about funeral plans was found dead at her home Friday, three hours after confirming the arrangements by telephone. Friends found Miss Elizabeth Bleakly, 65, dead of gas asphyxiation in her kitchen. All burners of the kitchen stove were on and unlighted. Coroner Clyde Kissinger ruled it suicide.

Ask Work Stoppage

New York, April 30 (AP) — About 250 railway employes last night asked AFL union leaders to consider a work stoppage against the New York, New Haven and Hartford Railroad. The unionists said they were protesting the layoff of 367 men by the railroad between April 1 and last Monday.

Reports $68,000 Theft

New York, April 30 (AP)—The theft of furs and jewelry said to be worth $68,000 was reported to police last night by Mrs. Patricia Clark Toriel, who said she formerly played minor roles in movies. Mrs. Toriel, of 17 East 67th street, said she discovered the robbery when she noticed a strongbox that had contained $8,000 worth of jewelry was not in its usual place in a closet.

Mothers Launch Drive

Tokyo, April 30 (AP)—Mothers have launched a door-to-door campaign against obscene literature. A truck will pick up filthy reading material tomorrow. Meanwhile, the mothers advised, every wife has an important, difficult task—find out where her husband hides the nasty stuff.

One of the interesting hands, shown today, from the final match of this year's tournament for the Harold S. Vanderbilt Cup illustrates the importance of being at the table.

West opened the jack of spades against the very good contract of six no-trump. Declarer won in dummy with the king of spades and counted the following tricks: three spades, six diamonds, one heart, and one easily established club. The question was whether to try for the twelfth trick in hearts or in clubs.

At the second trick, declarer led a club from dummy. East played low, and South put up the king. West played low.

On paper, that's all you would know. At the table, South had to decide whether or not West might be holding off with the ace of clubs. West was an expert, as might be expected in the final round of a national tournament, and might very well play low instead of taking the first club trick. If so, South would try a heart finesse or a squeeze as 'tis next play.

Incidentally, that's why South played the king of clubs rather than the queen. If South played the queen at the second trick of a slam contract he would advertise to all the world that he also held the king. If he played the king, however, there might be some doubt about who held the queen. If West had the ace, he might wonder whether or not to take it; and this wonder might be all the information that South needed.

When the hand was actually played, West seemed to have no problem on the first club trick. South therefore went back to dummy with a diamond and led another club towards his hand. East came up with the ace, of course, and South had his slam contract.

Girl Scout Troop Visits Cartoonist

Woodstock, April 30 — The members of Girl Scout Troop 88, under the leadership of Mrs. Malcolm Rose and Mrs. Edmund Gilligan visited the studio in Bearsville of cartoonist John Striebel Tuesday afternoon. The 14 girls who attended were also accompanied by Mrs. Beldon Hyatt, troop committee members. The group was greeted at the studio by Mr. and Mrs. Striebel and Mrs. Dave Huffine. The artist showed the girls how he put a comic strip together and explained the various processes in the development of an idea. The members of the troop drew lots and the winner, Carol Ennist had her picture drawn by Mr. Striebel.

After the visit to the studio refreshments were served to the guests by Mrs. Striebel and Mrs. Huffine.

Committee Discusses Field Personnel

Woodstock, April 30—At a meeting of the Woodstock Recreation Committee, Wednesday night at the Town Hall, discussion took place on the personnel for the recreation field. It was announced that Andrew Shekitka of Wittenberg, would accept the position for the second year as director of the field this summer. A vacancy exists for the assistant director's post which was filled last year by Bernard Lapo. There are also two vacancies for lifeguards at the swimming pool. Applications for the above positions may be made through the Town Clerk's office in Woodstock, and decision will be made by Mr. Shekitka.

It had been announced some weeks ago that the Public Health Nursing Committee had received a gift of $500 from the Little Mothers of New York, enabling the organization to continue this year with its summer recreation program at the field.

A letter was received from Roger Jones of the Woodstock Sport Shop requesting the use of the field for the Little League known as the Jones Boys baseball team. Approval was given Mr. Jones for the use of the field. The team will practice Tuesday, Wednesday and Thursday nights, which leaves Saturday and Sunday for games.

Tentative plans call for a carnival to raise funds for the recreation field, at the end of the summer season, were mentioned.

The season will be from July 1 to approximately Labor Day, the hours from 9 a. m. to 12, and 1 to 5 p. m., except Saturdays.

Work on the fence at the field which began last summer, is continuing under the direction of William West.

The next Recreation Committee meeting will be held next month.

Among plans for equipment at the field are proposed picnic tables for the convenience of parents who wait at the field for their children. The committee is also in search of two ping pong tables, and contributions will be gratefully accepted.

Minstrel Show Is Presented by OES

Woodstock, April 30 — The minstrel show, sponsored by Clinton Chapter No. 445, Order of the Eastern Star, presented Tuesday night at the Woodstock Town Hall drew an enthusiastic audience. Members of the cast included Rhoda Klippel, Carrie Barnhart, Phillis Muller, Norma Every, Rosemary Jones, Ruth Best, Christine Brewster, Adelaide Dargie, Mary Davis, Pearl Davis, Clara Embree, Betty Lou Forde, Patricia Forde, Ruth Friar, Gertrude Gifford, Anna Hoffman, Elaine Jackson, Christina Johnson, A. Virginia Kearney, Vivien Kellenberger, Hilda Krohn, Mae Lang, Ann Lettel, Beulah Lockwood, Marguerite Mallow, Gladys Muller, Tessie Nygaard, Alice Scardefield, Shirley Seeger, Vera Snyder, Mae Umpleby, Bette Youngburgh and Ida Blume.

In the second portion of the program Barbara Moncure presented a song accompanying herself on the guitar, there was a tap dance by Sheila Sleight and Eileen Schick, an accordion duet by Ellen and Elsie Ross, and a speciality dance by Marianne Davis.

Commercial Travelers Plan Teen Dances

Woodstock, April 30 — The United Commercial Travelers, Kingston Chapter, 356 held a dinner with 78 people present at White Horse Inn, Tuesday night. It was announced that the organization plans to sponsor teenage dances for the seventh and eighth grade in several of the Ulster county schools, including Marbletown, Rosendale and Tillson, the MJM School in Kingston, Saugeties, Woodstock, Highland and Boiceville. These plans are in preparation for the next school year. It will be a community project for the prevention of juvenile delinquency, a form of organized recreation with a minimum amount of supervision. The dances will be under the supervision of four women and four members of the United Commercial Travelers.

Among the speakers were Patrick Murphy, toastmaster, of Kingston; Herbert S. Hern and Sam Felsman of Kingston. Other business before the meeting was the acceptance of five women into the Auxiliary of the organization. They also took in eight men members, one of whom was Bill Moore of Woodstock. Also installed was Lester Legg of Kingston, as secretary for a second term.

A clambake has been scheduled for July 31, at Glenerie Park, at 3 p. m.

Books Available

Woodstock, April 30 — Mrs. Lynn Wells, librarian, has announced the following list of new books at the Woodstock Library: Masters, Coromandel; Phillips, Qataban and Sheba; Herrmann, Conquest by Man; Sachs, Modern Prints and Drawings; Skinner, Bottoms Up; Colette, Vagabond; Rich, Innocence Under the Elms; Hobart, Venture Into Darkness; Slaughter, the Healer; Mann, A Room in Paris; Mason, Two Tickets for Tangier; Graves, Homer's Daughter; Konroff, Story of Jesus; Lewis, Elephant Tramp; Hoare, The Missing Macleans; Sarton, Faithful Are the Wounds; Barrymore; Memories; Pfeiffer, The Human Brain; Fletcher, The Scotswoman; Heath, Violent Saturday; Forester, The Good Shepherd; Neill, Black William; Adamson, Keepers of Light; Jameson, Hidden River; Dennis, Antie Mame; Simon Abbe Pierre and the Ragpickers of Emmaus; White, Book of Beasts; Hawkes, Man on Earth; Hallinan, The Rough Winds of May; West, A Train of Powder; Ervine, Apes, Angels and Victorians, and many new mysteries.

Village Briefs

Woodstock, April 30—A group of Woodstockers motored to Oyster Bay, Long Island Monday to visit Dr. and Mrs. Chris Montana, former owners of Chris Haven Farms at Pint Grove in this village. Dr. and Mrs. Montana purchased the Jay Gould estate in Oyster Bay, where they entertained their Woodstock friends with a candlelight dinner and tour of the estate where they visited the greenhouses and stables. Those who made the trip were Mrs. Eleanor Burton of Centerville, Mrs. Albert Montgomery, Mrs. Irene Kullman and Mrs. Katherine Keller of Woodstock, Mrs. Marion Crotty of Veteran, and Miss Olive O'Brien of Malden. Mrs. Montana's mother, Mrs. Ethel Sporn of the Bronx also joined the party at Oyster Bay.

Dr. Herbert Johnson of Kingston will be the guest speaker at the Woodstock Parent Teacher Association meeting, Thursday, May 5, at the Woodstock School at 8 p. m. His subject will be remedial reading. There will also be an annual election of officers.

St. Gregory's Episcopal Church will have a service of evening prayer and sermon Sunday, May 1, at 4 p. m. The Rev. Herald Byron-Curtiss Swezy, the vicar, will give the sermon.

Mrs. Paul Perlman, chairman of the Red Cross drive for funds in Woodstock has announced that a total of $1,069.75 was the collection from the township.

At a recent meeting of the Board of Governors of the Woodstock Country Club, Anthony J. DeLisio, president of the club announced that an honorary membership had been given to Gene Sarazen, famous golfer, and that a suitable scroll would be sent to him.
